

Make Your Own Bath Paints

Make your littles one's bath time that bit more special!

Ingredients:

- 1/4 cup of baby wash or baby shampoo
- 1 tablespoon corn starch
- Food colouring

Directions:

- Gently stir the corn starch into the baby wash and add your colouring.
- If you are struggling with lumps add a small bit of soap to your mix.
- You can create more colours by doubling or tripling the ingredients!
