

People Who Help Us

Captivating
Classrooms™

from **iChild**

Understanding the World

This resource helps children understand the many different ways in which people in our society help us and keep things going.

You could also use the PowerPoint to help display the people who help us in class.

People Who Help Us

Doctor

Doctors find out what is the matter when we are ill. They help us get better.

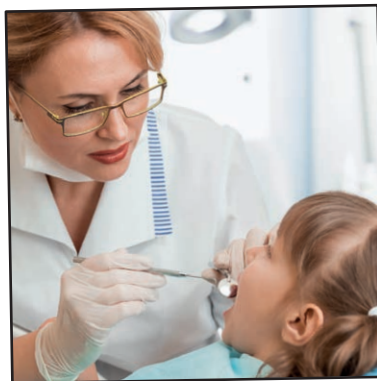

Nurse

Nurses look after us when we are ill and help us get better.

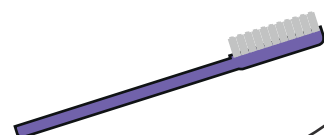

Optician

Opticians find out if we need glasses and make sure we have the right ones. They are doctors for our eyes!

Dentist

Dentists make sure that our teeth grow strong and healthy. They are doctors for teeth!

People Who Help Us

Paramedic

Ambulance people!
They come to our rescue if
we are ill or have an
accident. They look after us
and take us to hospital.

Vaccinators

Vaccines protect us from
many diseases.
Vaccinators keep us safe!

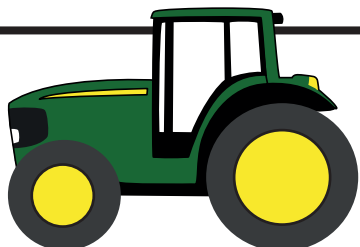

Farmer

Farmer

Farmers produce vegetables, fruit, meat, eggs and dairy for all of us
to eat. Farmers also give us wool for clothes from their sheep.

People Who Help Us

Bus Driver

Buses take us from place to place in our towns, cities and villages.

Firefighter

Firefighters put out fires. They keep us safe.

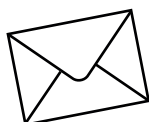

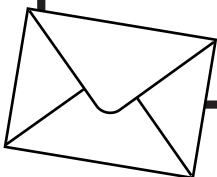

Postman

Postwoman

They deliver letters and parcels to our door.

People Who Help Us

Rubbish Collectors

They take away our rubbish. This keeps houses and streets clean and safe.

Cleaner

Cleaners keep places where we work and play free from dirt and germs. They keep us safe!

Policeman

Policewoman

They stop crime. They come to our help when we are in trouble. They keep us safe.

People Who Help Us

Train Drivers

Trains take us from place to place all over the country.

Tube Drivers

Tubes and trams take us from place to place in our towns and cities.

Tram Drivers

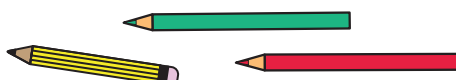

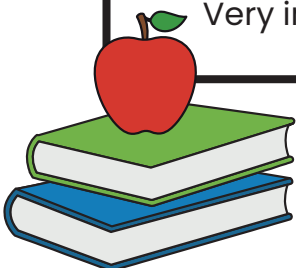

Teachers and Teaching Assistants

Help us learn. Make our classrooms safe and happy places.
Very important people!

School Dinner Staff

They cook our school meals and serve us with a friendly face.
Very important people!
