

Big, Bigger, Biggest Hearts

big Loves me!

bigger Loves me more!

biggest! Loves me the most!

Mathematics

Supporting spatial reasoning and looking at the relationship between the images. They're the same but different sizes! Children can compare the sizes and develop their mathematical language.

Instructions

Look at the different size images on the next pages. Ask the children to tell you which is bigger, which is smaller, which is biggest, which is smallest. Then they can enjoy colouring in the pictures!
