Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

Sunday

Understanding the world

Developing children's understanding of the days of the week is an important step in understanding the framework of their day to day world.

Physical Development

Scissor skills develops fine motor control and precision, which helps hand-eye coordination.

Instructions

The next page has flashcards, which the children can cut out. The last seven pages are a single page of each weekday, which the children can also cut out.

You can also use the PowerPoint to display the weekdays and call them out with the children.

DAYS OF THE WEEK

Tuesday

Friday

Wednesday

Saturday

Thursday

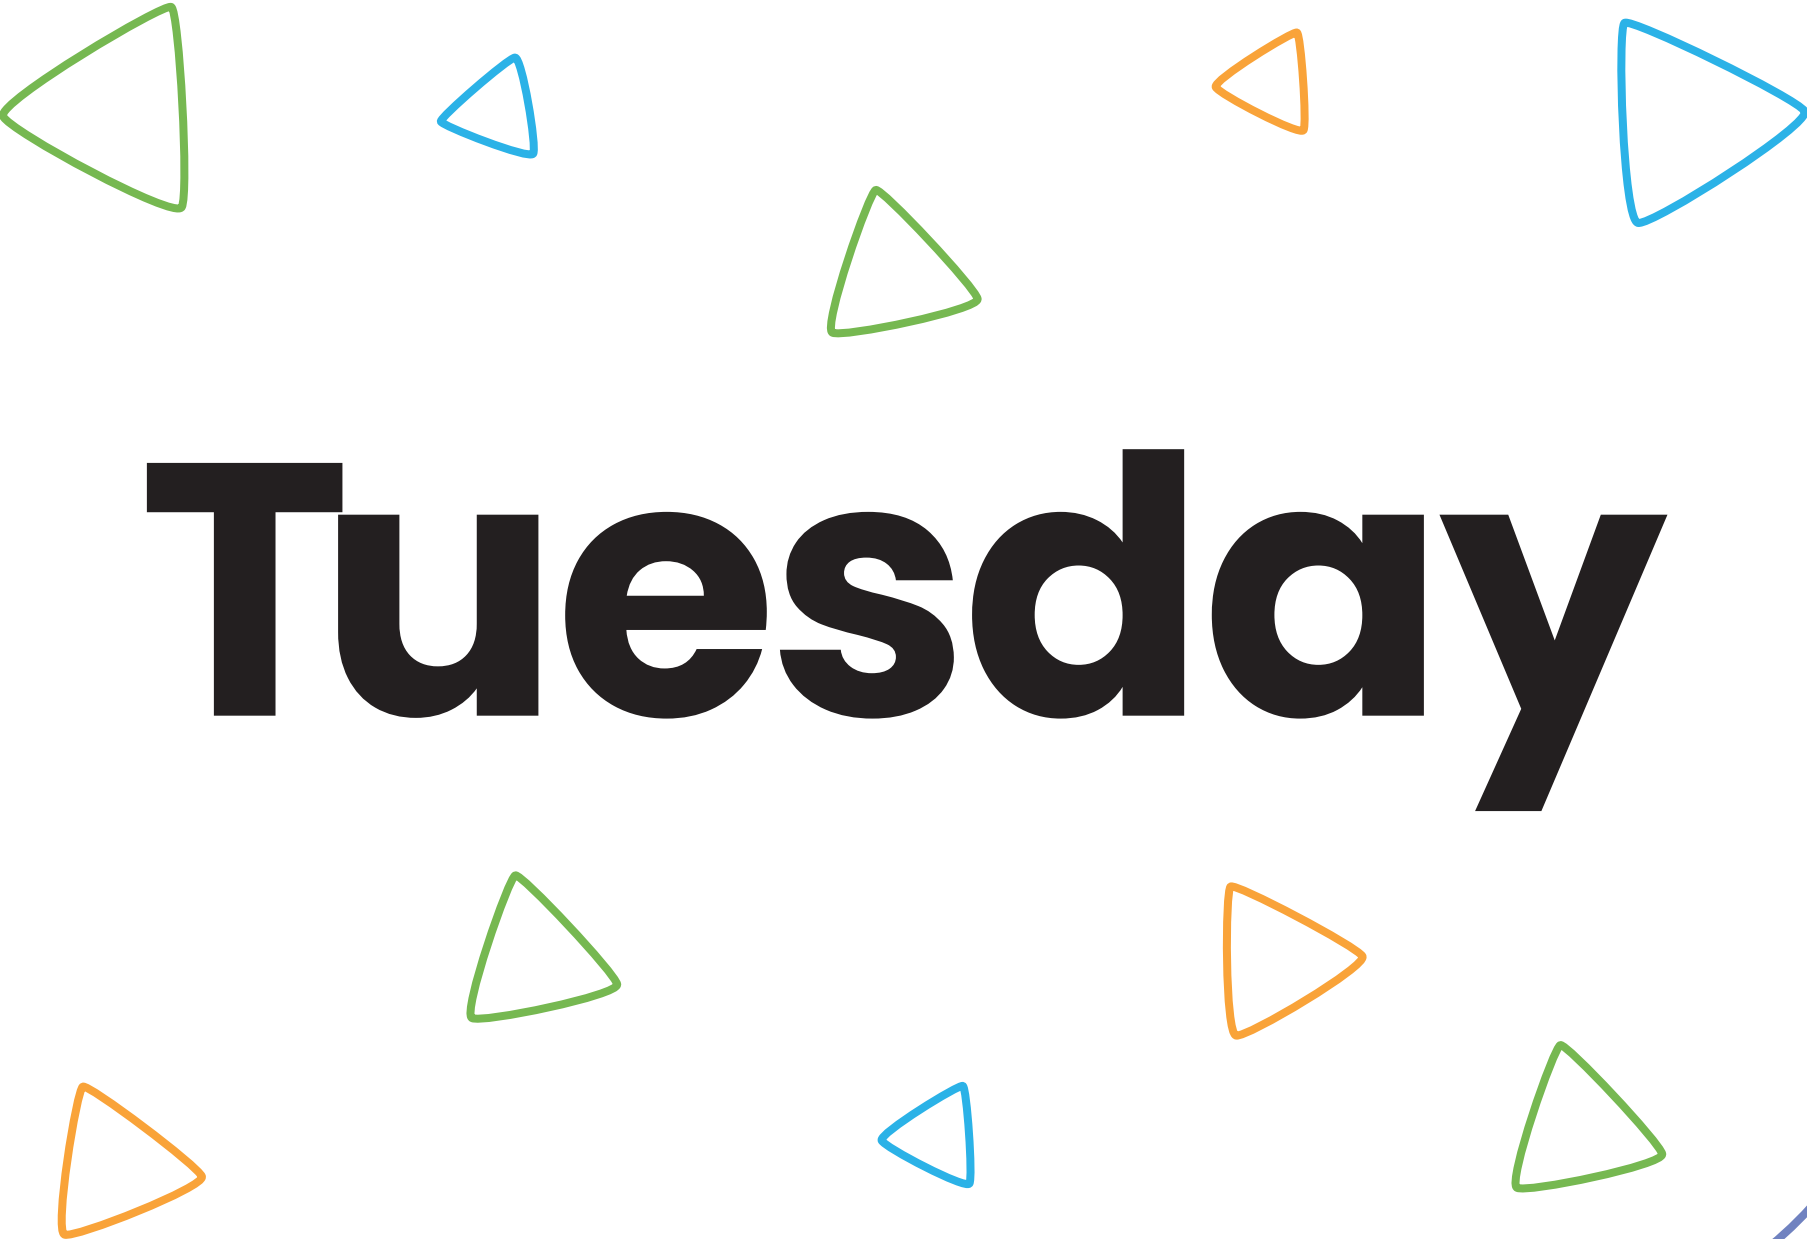

Sunday

The word "Monday" is centered in a large, bold, dark blue font. It is surrounded by ten outline stars of varying sizes. There are four orange stars, three red stars, and three blue stars scattered around the text. The entire page is enclosed in a green border with rounded corners on the right side.

Monday

The page is decorated with ten outline triangles of various sizes and colors (green, blue, orange) scattered around the central text.

Tuesday

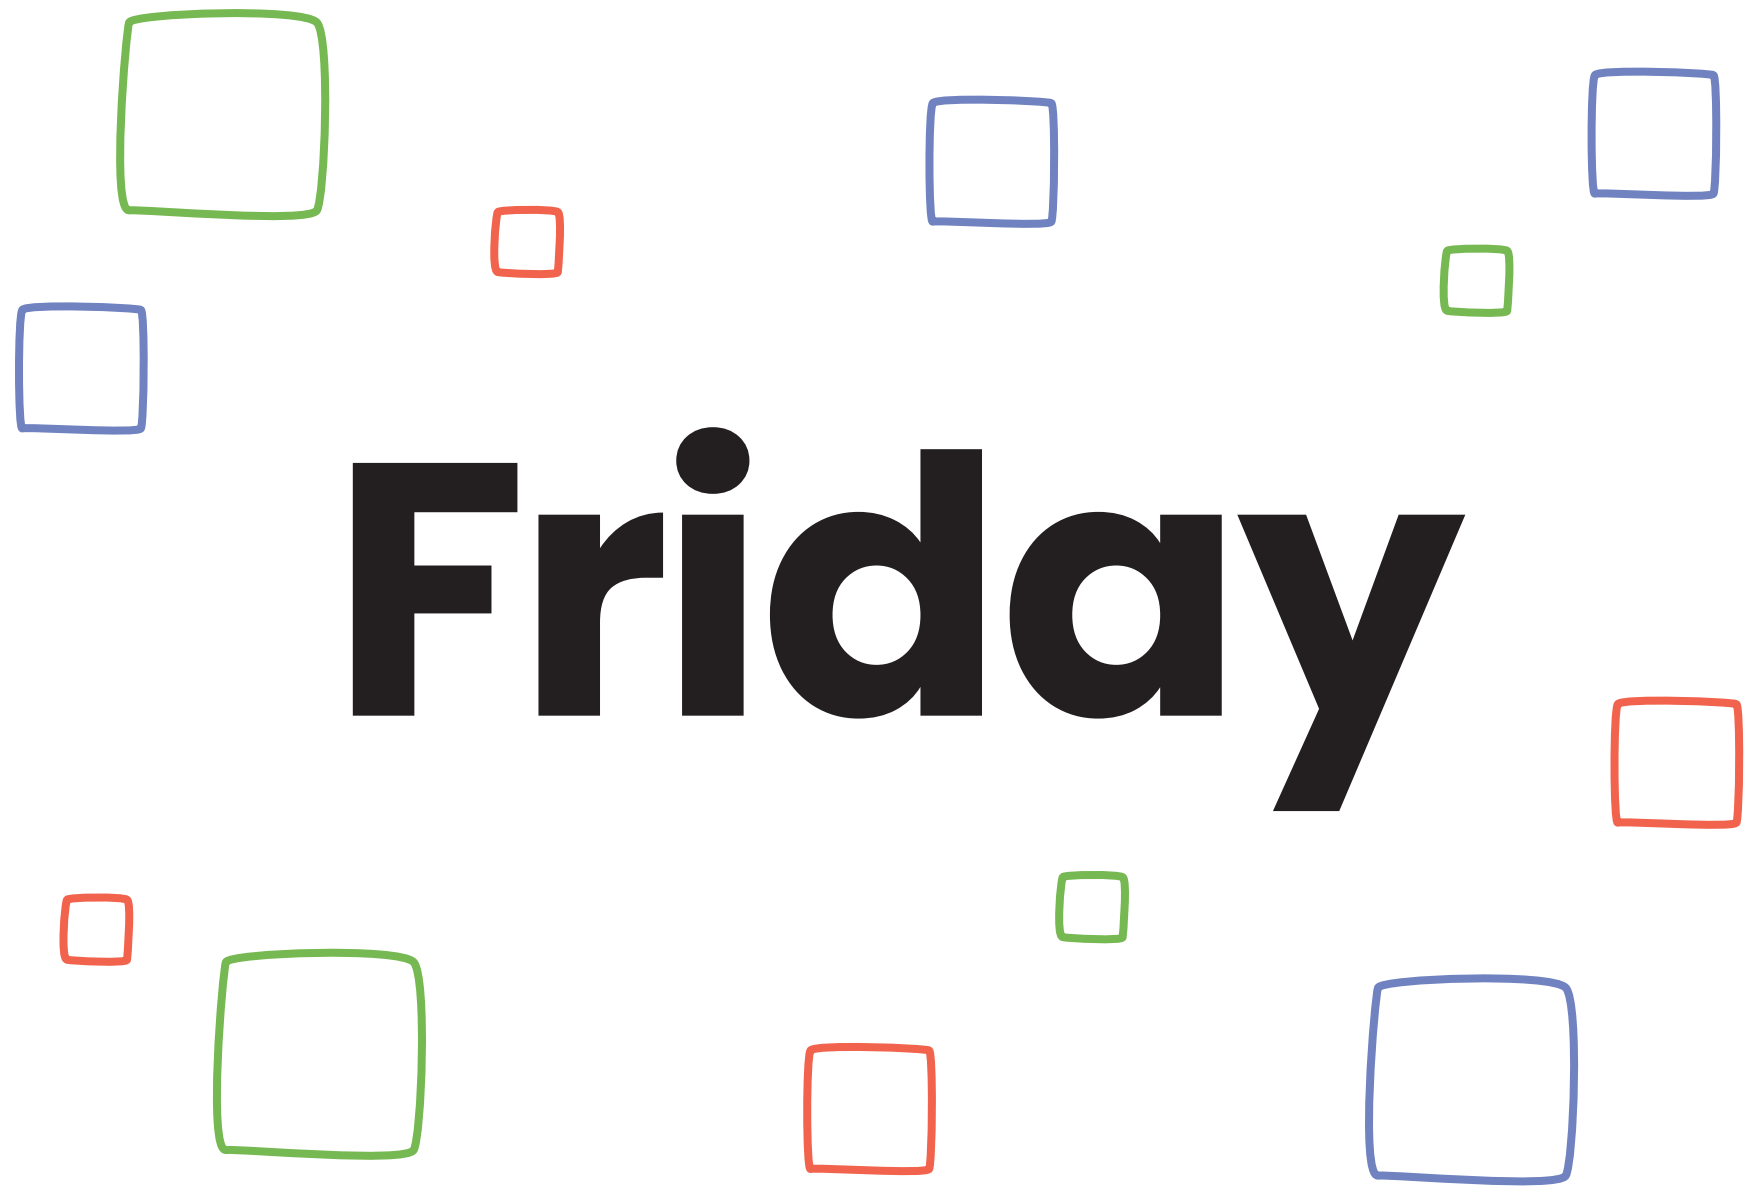

Wednesday

The page is decorated with ten hollow circles of varying sizes in green, yellow, and blue, scattered around the central text. The entire content is enclosed in a pink border with a rounded bottom-right corner.

Thursday

Friday

Saturday

The word "Sunday" is centered in a large, bold, dark blue font. It is surrounded by ten hand-drawn ovals in three colors: blue, orange, and green. The ovals are scattered around the word, with some at the top, some at the bottom, and some to the sides. The entire page is enclosed in a light blue border.
