

Understanding the World

Knowing about interesting places to visit helps develop children's cultural capital.

We've selected four special places, which you can discuss with the children.

The second page is blank for you to add in your own special places. You can even use the little map to deepen children's understanding of where their home is in relation to the country.

You can use the PowerPoint to help display these places in the classroom.

Captivating
Classrooms™

My Special Places

Devon

Dinosaur World, Torquay

See full-size dinosaur models. Learn about incredible fossils – and more!

Exeter Underground Passages

Medieval underground passages, the only ones of their kind in the country!

Norman Lockyer Observatory, Sidmouth

Look at the night sky. Learn about the sun, the moon and the planets in our solar system.

Dartmoor Museum

Learn about the history of Dartmoor, the place and its people.
