

Understanding the World

Knowing about interesting places to visit helps develop children's cultural capital.

We've selected four special places, which you can discuss with the children.

The second page is blank for you to add in your own special places. You can even use the little map to deepen children's understanding of where their home is in relation to the country.

You can use the PowerPoint to help display these places in the classroom.

Captivating
Classrooms™

My Special Places

London

Natural History Museum

Meet life-size dinosaurs. Uncover the history of life on Earth, from the smallest insects to the largest mammals!

Queen Elizabeth Olympic Park

Built for London 2012. Now a great place for little ones to run around and have fun!

Tower of London

Admire the magnificent crown jewels. Prowl the dungeons and roam the gardens. And meet the ravens!

Science Museum

Play with water, light and sound! Look at machines from olden days right through to the space age.
