

Spiral Falling Leaves Decoration

Here's a fun way to make a falling leaves decoration.

Instructions

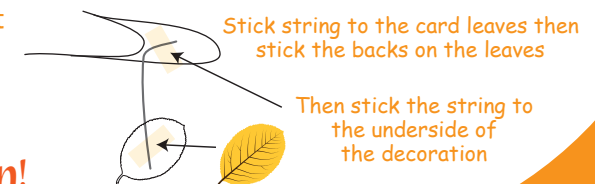

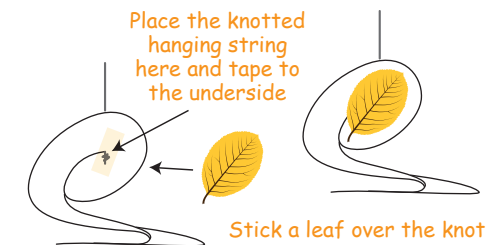

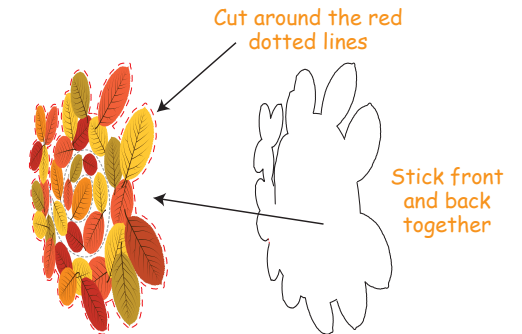

- 1 Print pages 3 and 4 onto thin card. Print pages 5 and 6 onto paper. Cut out the designs on pages 3 and 5 along the **outside edges (the red dotted lines) first**. Then stick them together. Now cut along the spiral grey dotted line.

If you would prefer to colour in the leaves yourself, print pages 7-10. Print pages 7 and 8 onto thin card, and pages 9 and 10 onto paper. Then follow the instructions as above.

- 2 Cut out the leaves on pages 4 and 6.
- 3 Cut 12 different lengths of string, from about 80mm to 130mm.
- 4 Stick a piece of string to the back of each of the card leaves. Then stick the paper leaves on top.
- 5 Cut a piece of string long enough to hang up your decoration. Tie a knot in one end. Place this end of string in the middle leaf as shown and tape to the back. Stick the single leaf over the knot to hide it.
- 6 Hang up your decoration so you can arrange the leaves that drop down. Tape each string to the underside of the decoration. Hang up in front of a window and watch the leaves twirl around.

You will need:

Printer thin card and paper, scissors, tape, thin string and glue.

You now have a fantastic
