

5 Today! Birthday Paper Chain

Here's a fun way to make a paper chain!

You will need:

Scissors, glue, tape or stapler.
Coloured pens or pencils

Optional items

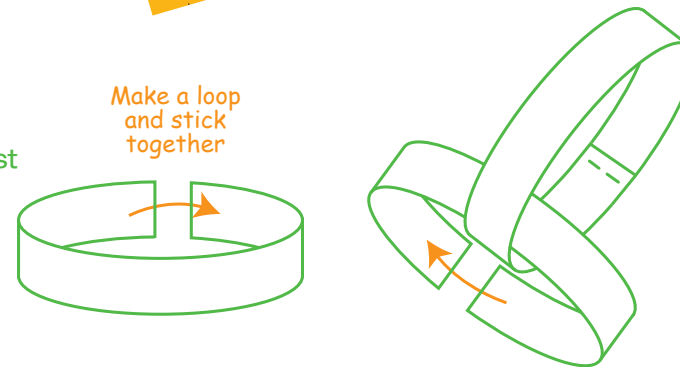

Glitter

Instructions

- 1 Colour in the pictures on the next two pages (or if you like you can simply cut out the pictures on page 4 and 5). Next, cut out the strips - these will be used to make your chain.
- 2 Make a loop with one of your decorated paper strips. Glue, tape or staple the ends of a strip together. Thread another strip through the link you've just made. Glue, tape or staple the ends together in the same way as the first loop. Repeat until you've created your paper chain the length you want.
- 3 If using glue, allow your links to dry before you hang your chain up.

Make a loop
and stick
together

You now have a fantastic **Birthday decoration!**

Please remember to recycle this activity
