

Make Party Hats

You'll need

Heavyweight paper, crayons, coloured pencils, pens or paints, glitter or any other decorations you would like. Scissors, tape and lightweight elastic.

Instructions

- 1 Decorate the semi circle on the next page using crayons, coloured pencils, paint, glitter or any other decorations you would like. Wait for it to dry if you've used glue or paint.
- 2 Cut the semi circle out and fold around to make a cone shape. *(This will fold the straight edge in half).*
- 3 Tape or staple together.
- 4 Tape the elastic to the inside of the hat on the left and right hand sides, to create a loop that will fit under your chin. *(If you don't have any elastic, you could stick a piece of ribbon to each side and tie it under your chin).* Alternatively make two small holes at both ends, and tie the elastic/ribbon through them, to create your loop.
- 5 Make as many hats as you need for you and your friends.
