

Bonfire Night Picture

Here's a fun way to make a Bonfire Night picture!

You will need

A4 Sheet of black card, scissors, glue, colouring in pens or pencils, coloured metallic pens, coloured glitter pens or coloured glitter glues. (Alternatively you can use coloured chalks).

Instructions

- 1 Decorate the top half of the black card with firework patterns using metallic pens and glitter pens or glitter glues. Alternatively you can use coloured chalks.
- 2 Print, colour in and cut out the picture on the next page.
- 3 Glue the picture to the black card so it looks like there is a firework display behind the Houses of Parliament.

You now have
a fantastic
**Bonfire Night
Picture!**

Decorate the top half of the card with metallic pens and coloured glitter glues.

Colour in the picture and glue it here.
