

Bonfire Night Decorations

Here's a fun way to make decorations for bonfire night.

You will need

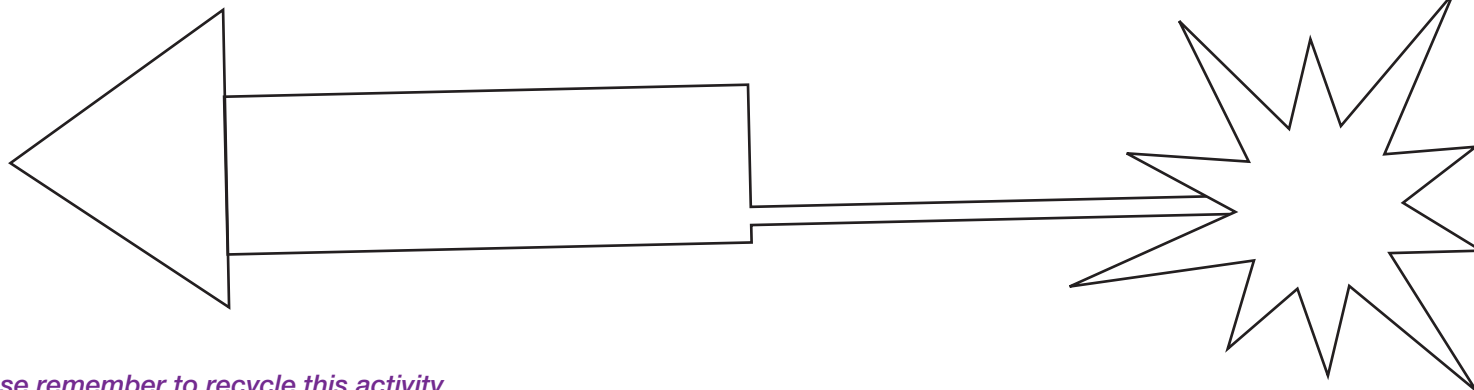

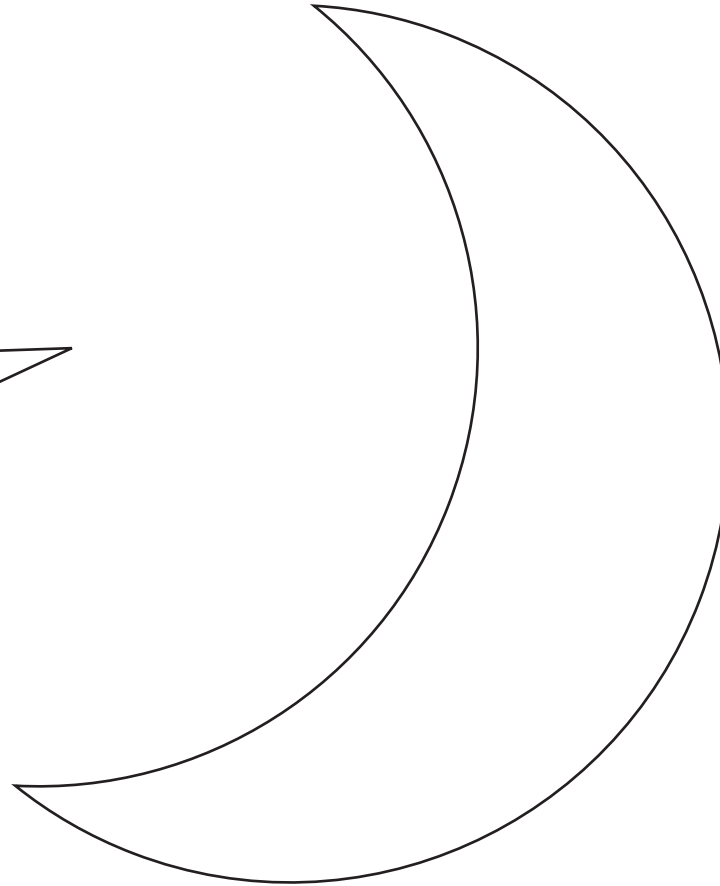

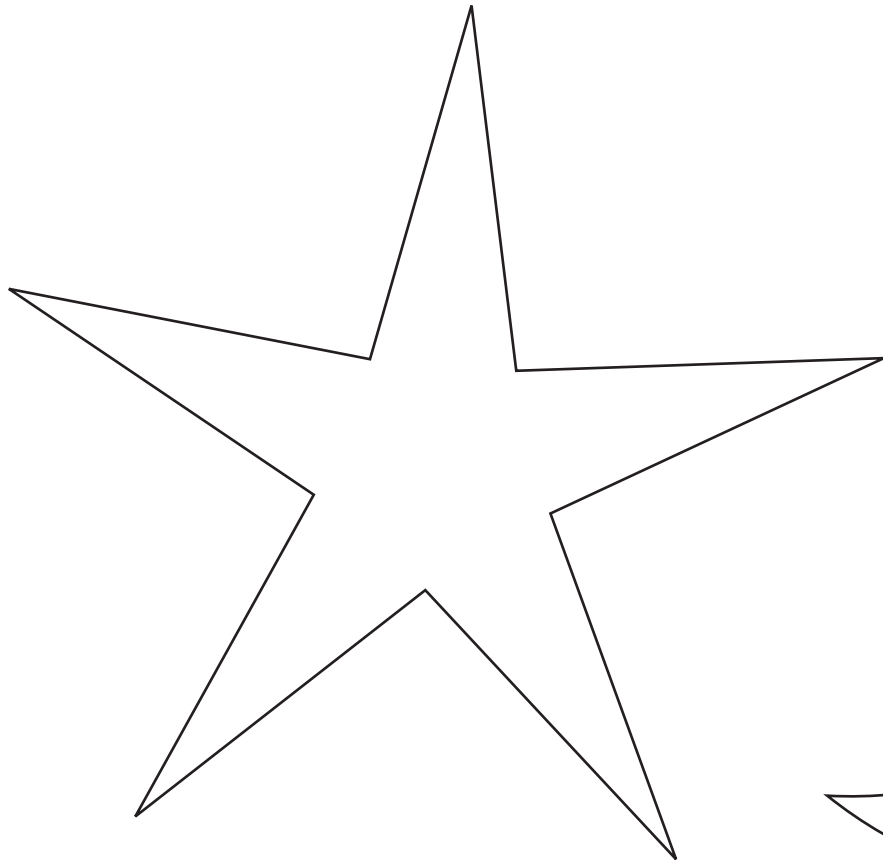

*Scissors, tape, thread,
coloured pens or pencils and
coloured glitter.*

Instructions

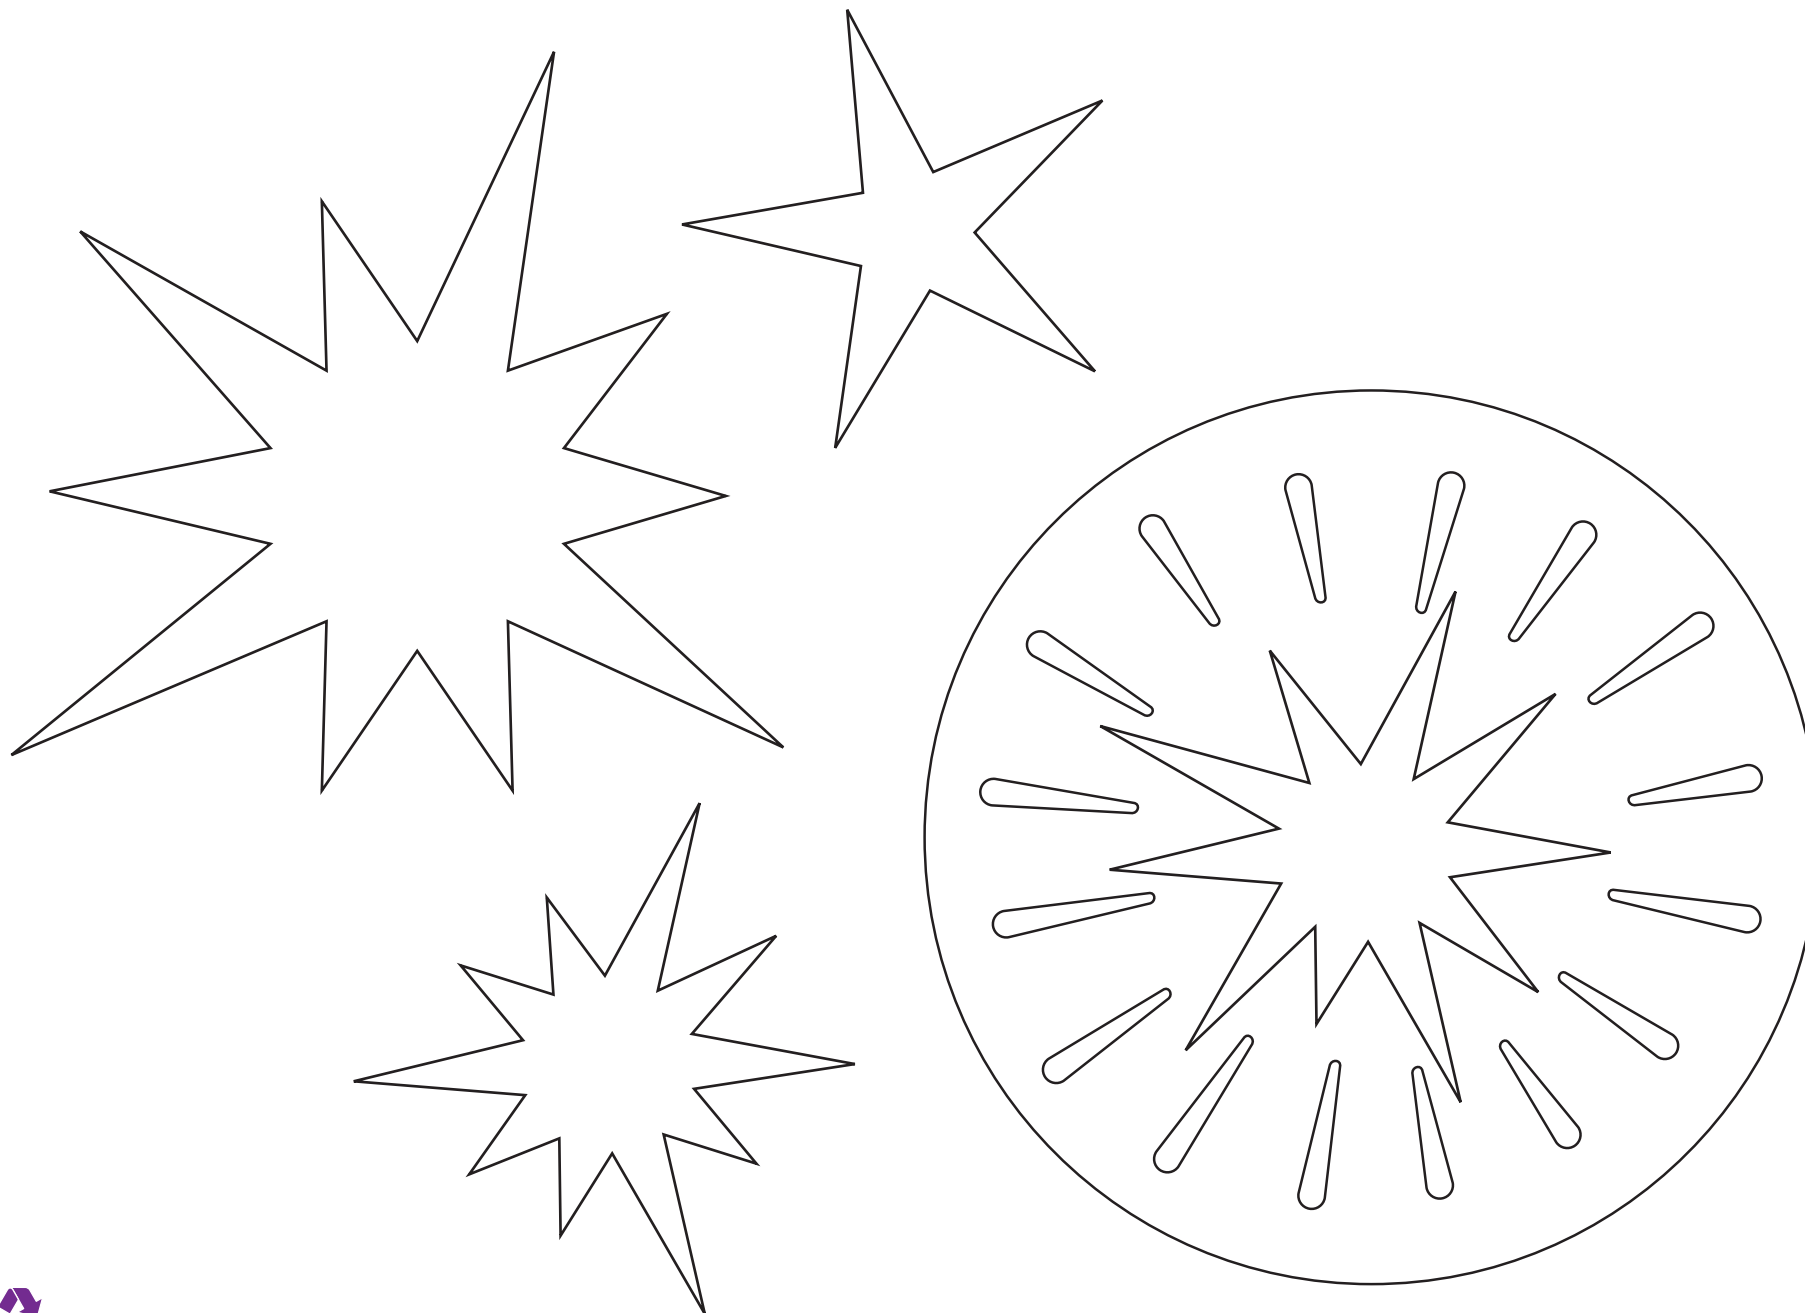

- 1 Print out the next two pages onto card.
- 2 Colour in the shapes, or draw and colour in your own shapes. Make them bright and colourful. Decorate with different coloured glitter for an explosive firework effect.
- 3 Cut them out, then attach some thread to the back with tape. Hang them up anywhere you like, you could even tape the thread to the window for everyone to see!
