

Pig Puppet

Here's a fun way to make a pig puppet.

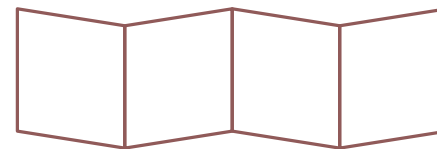

Instructions

- 1 Print page 4, the pig's body, onto card (or stick onto card), then cut it out. Print the coloured panels on page 5 onto paper, then cut them out. Or, colour in the pig's body and panels on pages 6 and 7.

You will need

Scissors, glue, tape,
2 sticks or pencils,
thin card, coloured
pens, or pencils.

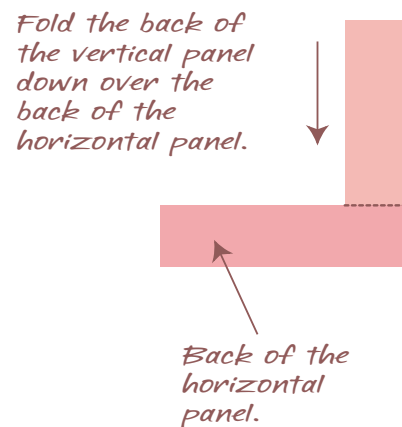

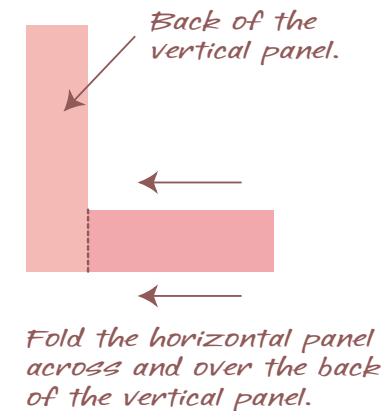

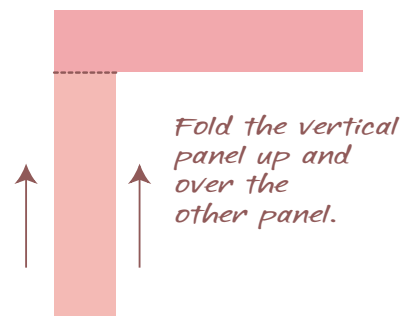

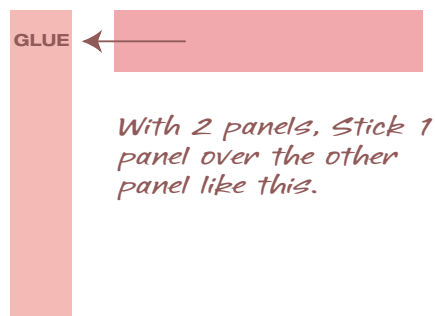

- 2 Making the pig's body can be done in two ways. The **simple** way is to concertina the paper panels in to squares. **Now follow the instructions from number 4.**

3

Alternatively try making the pig's body like this. Stick panel A to the back of panel B. Do the same for the other panel. (You don't need to do this for the simple concertina body option). Now follow the instructions below. You will end up with 2 panels with colour on both sides.

Continue to do this until all the paper is used up. Cut off any extra hanging over the edges.

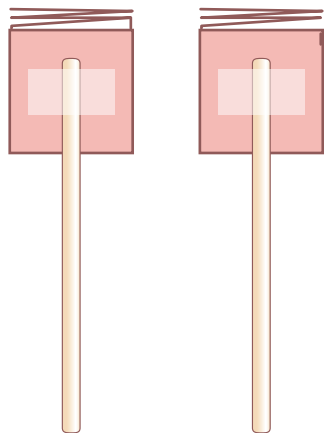

You will end up with a concertina shapes like this.

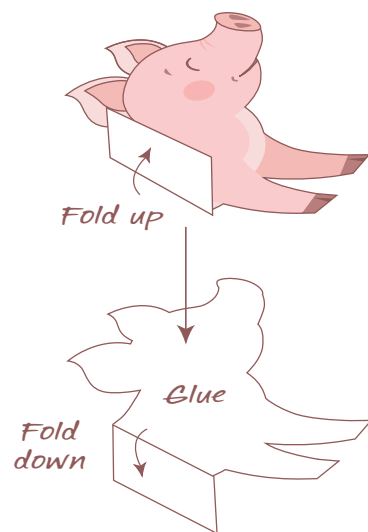

Please remember to recycle this activity

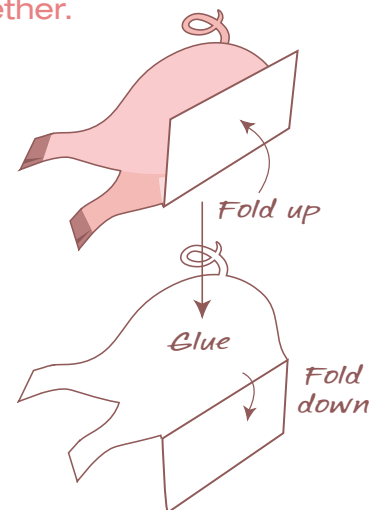

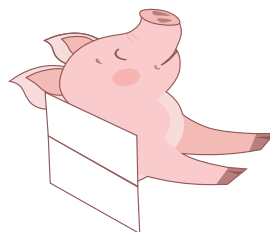

- 4 Tape pencils or sticks to each end of the body. (One at each end).

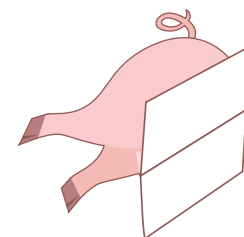

- 5 Fold the flaps on the body cut outs, as shown below. Then stick the two sides together.

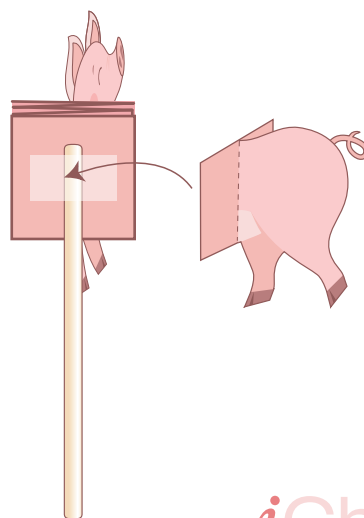

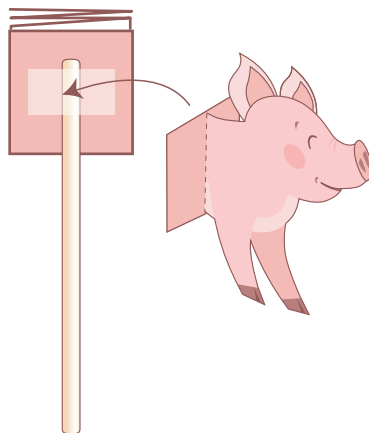

It will look like this when stuck together.

It will look like this when stuck together.

- 6 Stick the pig's head section to one end of the body and then stick the back legs to the other side.

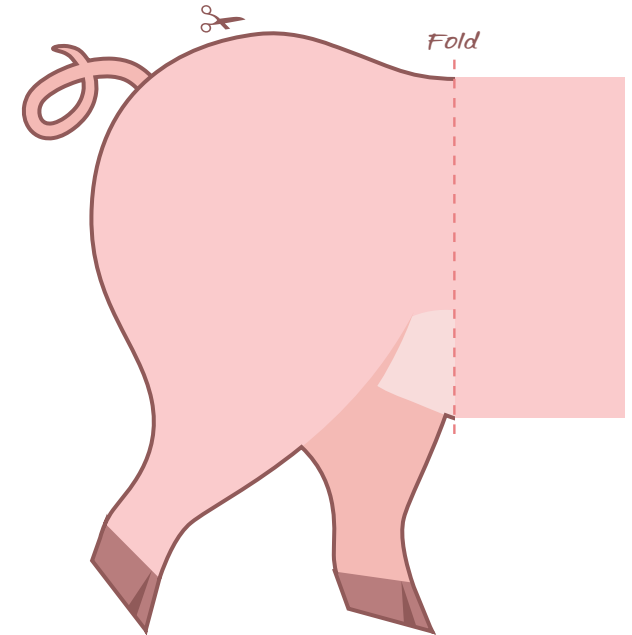

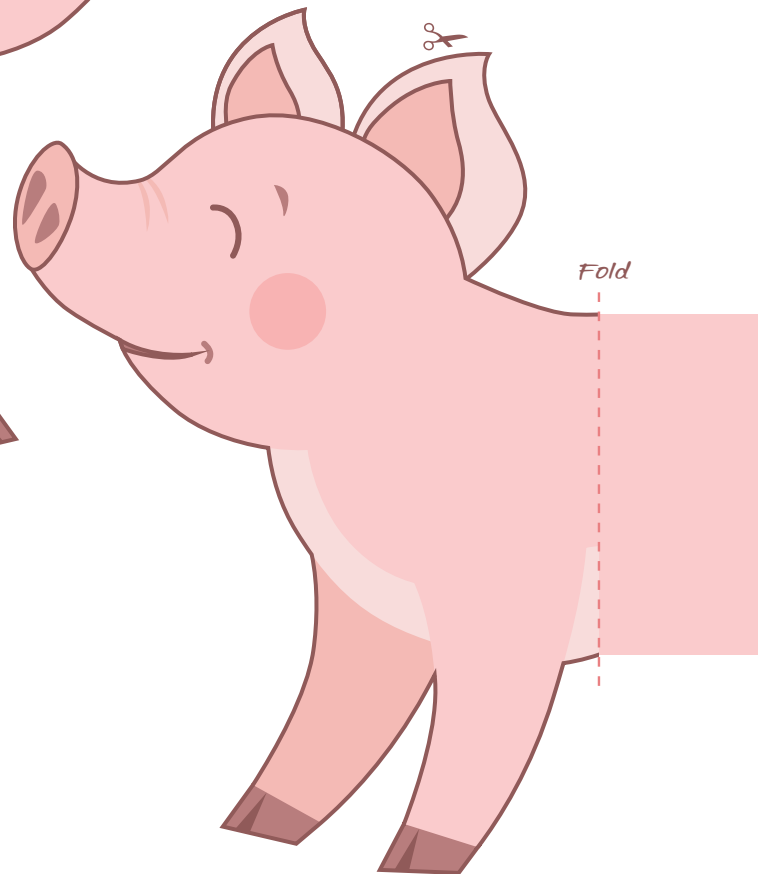

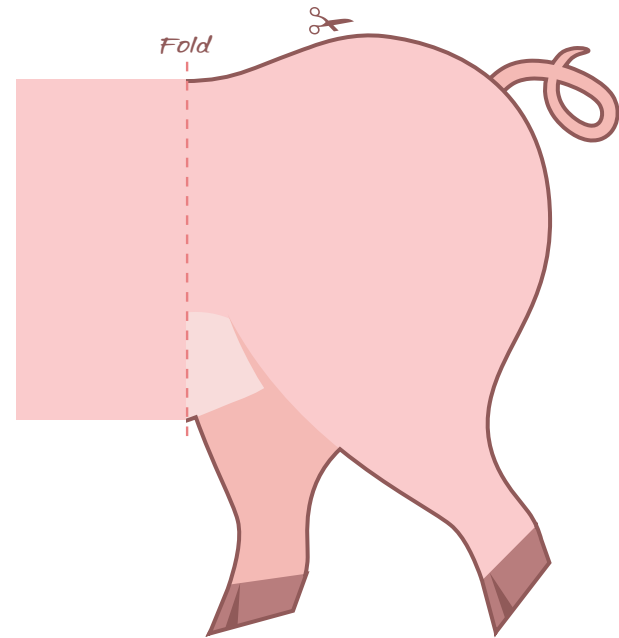

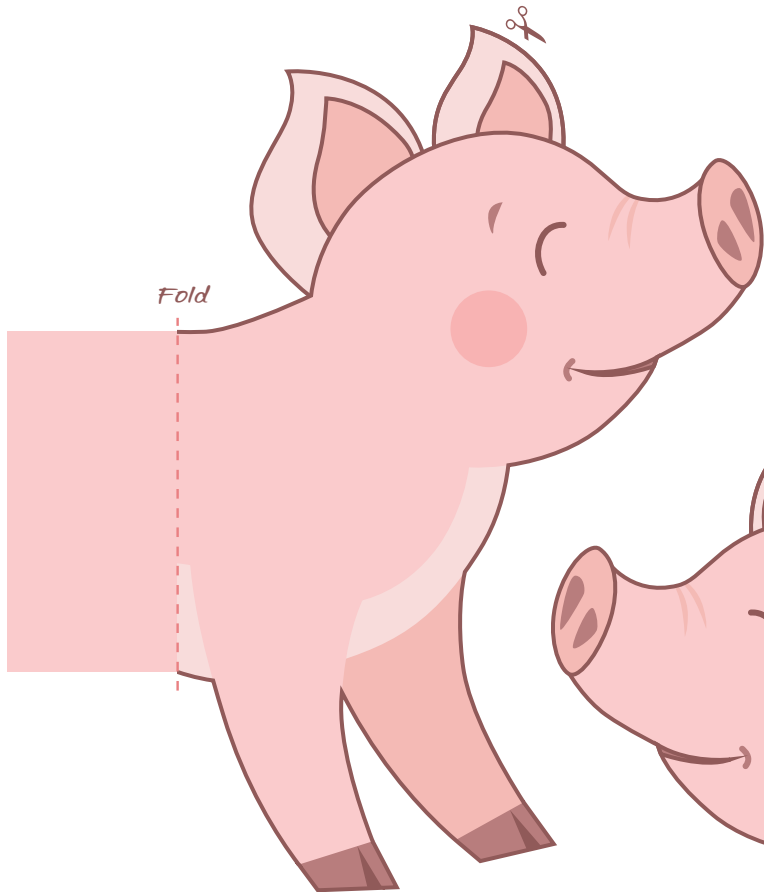

Now you have a fantastic pig puppet!
