

Rooster Hat Craft

Here's a fun way to make a rooster hat

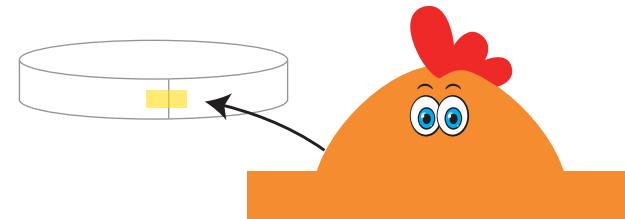

You will need

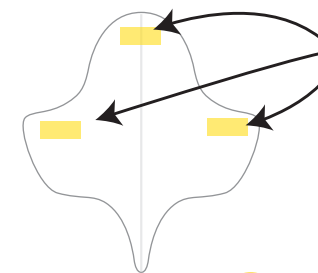

Thin card, scissors, tape or stapler, and double-sided tape.

Instructions

- 1 Cut a strip of thin card 40mm high, and make sure it's long enough to wrap around the child's head.
- 2 Print pages 2 and 3 onto card, or stick onto card, and cut them out. Or print pages 4 and 5 onto card, or stick onto card, colour them in and cut them out.
- 3 Fold the beak in half along the dotted line.
- 4 Stick the rooster's head on to the card hoop. Next, unfold the beak slightly and put double-sided tape where shown, then stick on to the rooster's head.

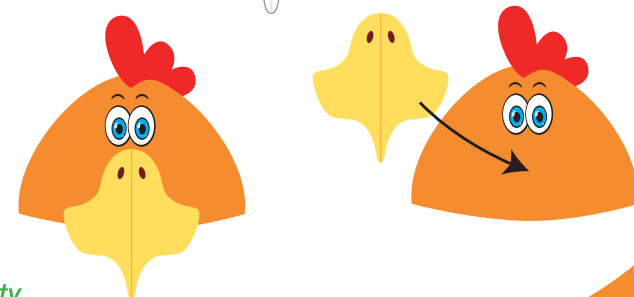

Stick the head on to the card hoop.

Open out the beak slightly and put double-sided tape here. Then stick to the rooster's head.

You now have a fantastic
