

Make a St. Andrew's Day Flag

You will need:

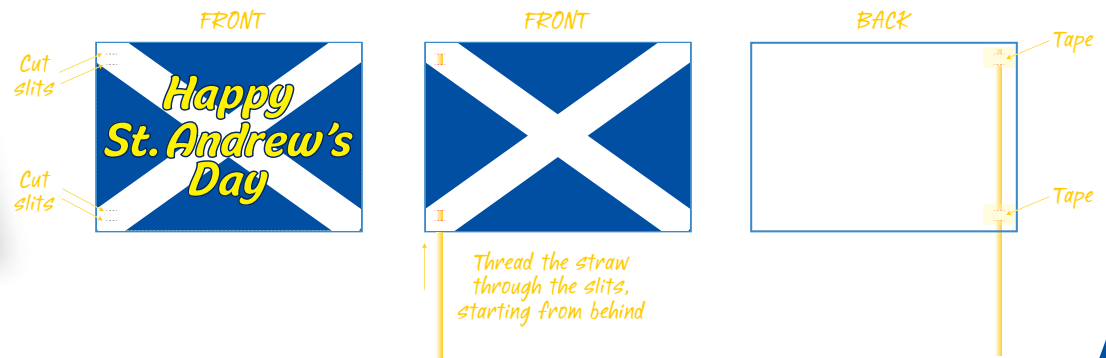

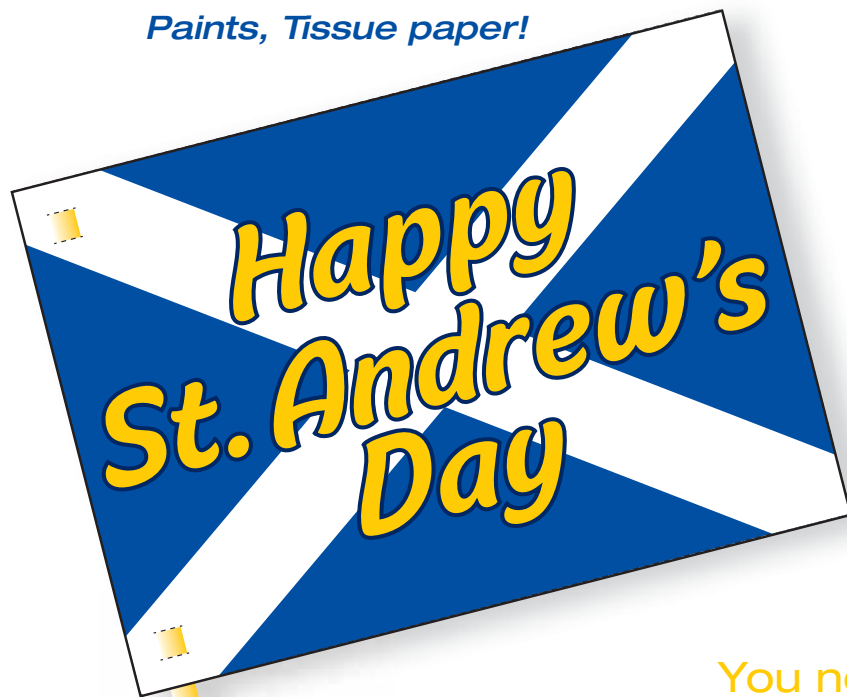

Scissors, sticky tape, straw or a stick, colouring in pens or pencils.

Optional

Paints, Tissue paper!

Instructions

- 1 Print out the next page and colour in the flag template however you like. Alternatively you can use the flag already coloured in on page 3.
- 2 Cut the 4 slits marked on the left, (as shown below).
- 3 Now thread your straw (or stick, even a pencil if you like) through the slits. Starting from behind, weave your way to the top slits. To make your flag more secure, stick some tape over the straw on the back of your flag.

You now have a fantastic
'St. Andrew's Day' Flag

Please remember to recycle this activity

*Happy
St. Andrew's
Day*

The background of the image is a St. Andrew's Cross, which consists of a white saltire (an 'X' shape) superimposed on a blue field. The saltire's arms extend to the edges of the image, creating four blue triangular corners and a white central area.
