

St. David's Day Snap Cards

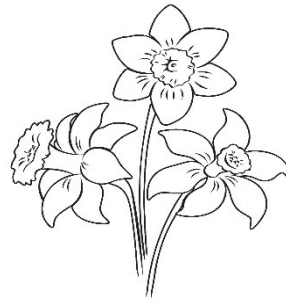

Print these twice so that you have two sets of cards. Colour them in and then cut along the dotted lines. Your children are now ready to play snap with their friends!

How To Play!

Shuffle the cards together and divide equally between the two players. Place the cards image side down, then take it in turns to turn over a card and place it in a pile in the middle. When two card images match, the player who shouts '**Snap**' first wins all the cards in the middle. Continue the game until one player runs out of cards. Then have another go!
