

Lucky Clover Stamp Card

Here's a fun way to make a lucky clover stamp card.

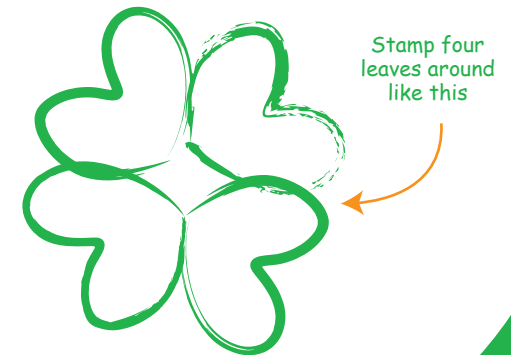

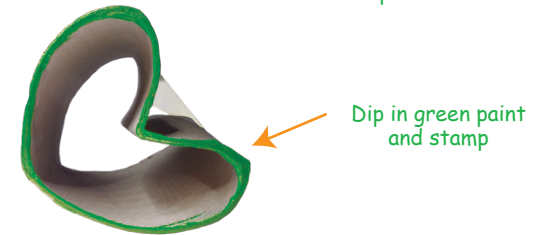

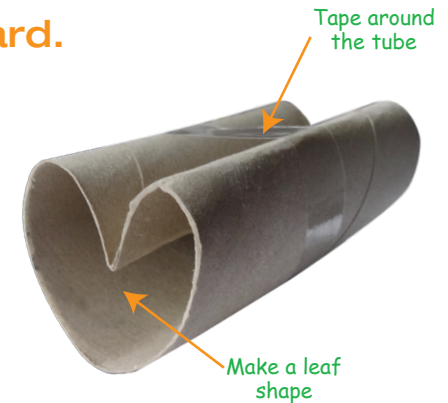

You will need:

1 kitchen roll tube, tape, glue stick, green paint, plate to use as paint palette, A4 thin card, paintbrush, range of light to dark green tissue paper.

Instructions

- 1 Bend the kitchen roll to make a leaf shape, then put a piece of tape around the tube to hold its shape.
- 2 Fold the A4 card in half to make a blank card.
- 3 Tear up green tissue paper and glue them to the middle of the card front. They can overlap.
- 4 Put some green paint onto a plate. Dip the tube in the paint and stamp a four leaf clover as shown. Press down firmly so all the tube touches the card.
- 5 Use a paintbrush to paint the stalk.

You now have a fantastic
