

Button Christmas Card

Here's a fun way to make a Christmas card.

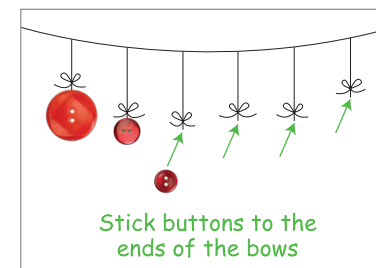

You will need:

A4 White card, scissors, glue, red buttons (or many different coloured buttons) in different sizes and thin ribbon. Or you can cut out and use the decorations on page 3.

Instructions

- 1 Print page 2 on to white card, then fold in half. Unfold to make it easier to decorate.
- 2 Stick red buttons to the ends of the bow lines as shown. You could use lots of different coloured buttons if you like. Or stick on the button pictures on page 3.
- 3 Glue decorative Christmas paper to the card. Next add ribbon going across the top of the decorative paper. Fold the card in half and write your message inside.
- 4 If you don't have buttons, Christmas paper or ribbon you can print and cut out the decorations on page 3.
