

Christmas napkin rings

You will need:

Card, scissors, and glue.

For creating your own designs:

Glitter, colouring in pens, pencils.
Old Christmas cards.

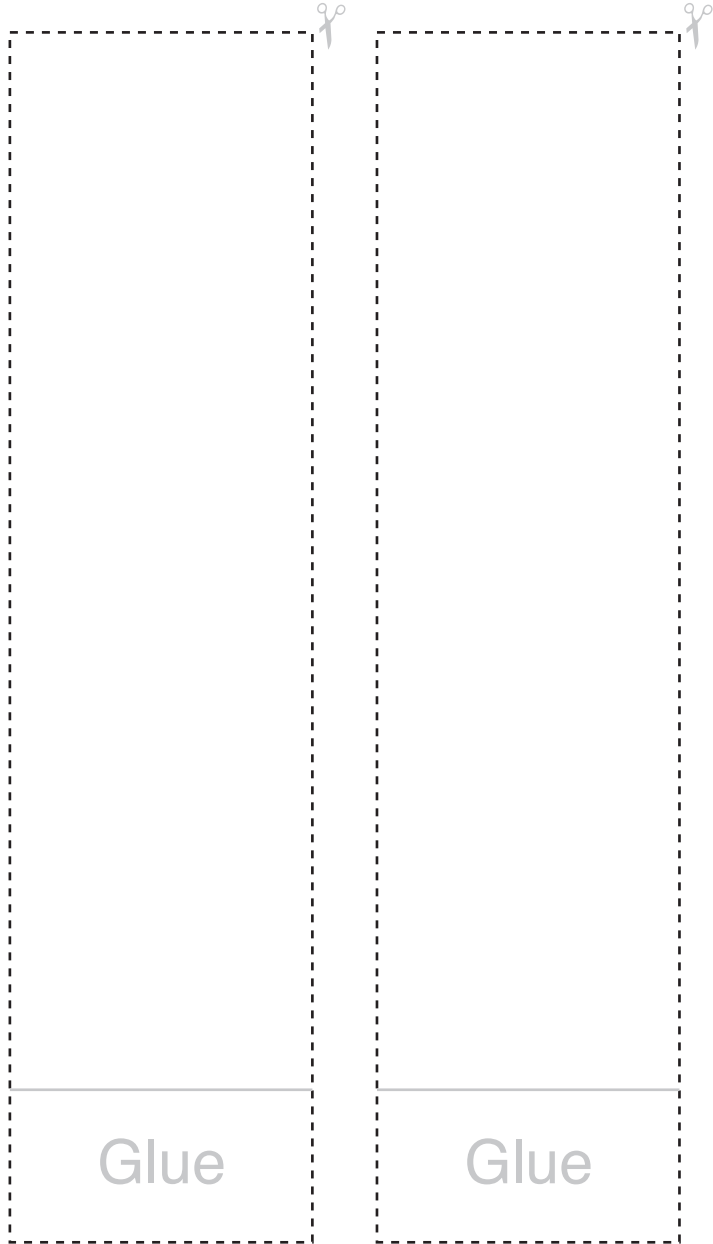

Instructions:

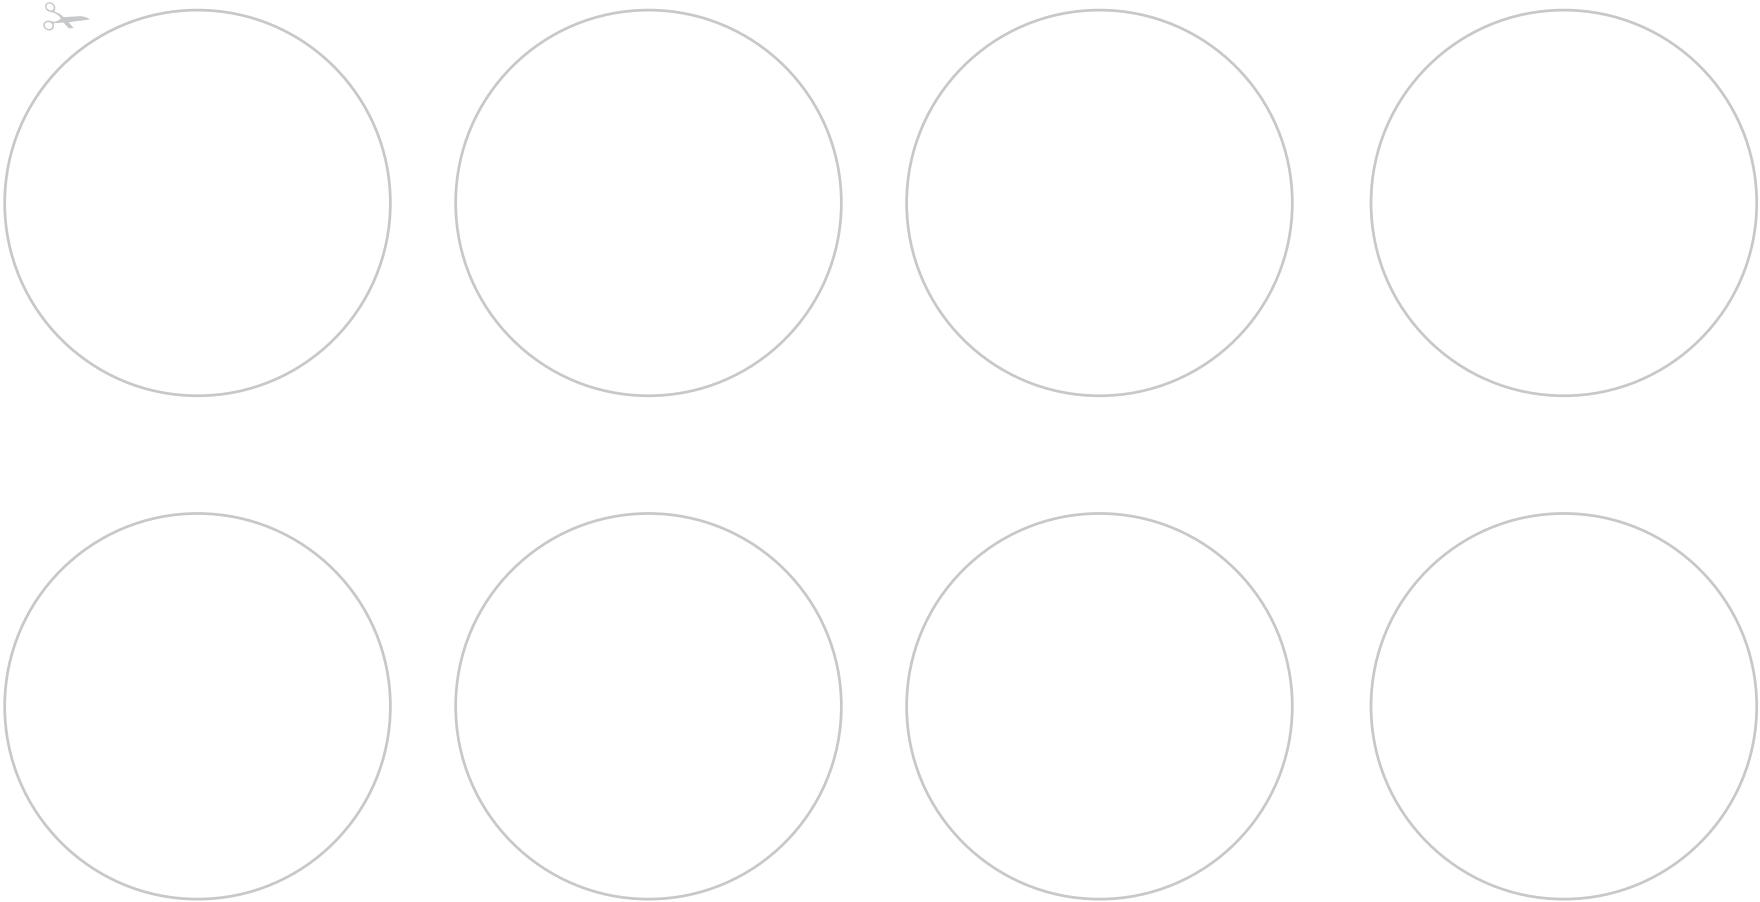

- 1 Design your own napkin rings by printing on to card the templates on pages 2 and 3. Use glitter to make them sparkle, cut up old Christmas cards to use for decoration. Be as creative as you like.
- 2 Alternatively, print on to card the pictures and coloured strips on pages 4, 5 and 6.
- 3 Once you have decorated the strips, glue the ends together by overlapping them. Make sure they are stick together well so they don't open up when the napkin is placed inside.
- 4 Once you have your napkin ring shape, stick a picture on the top for that finishing touch! Create your own picture or use the pictures provided.
