

Christmas Lanterns

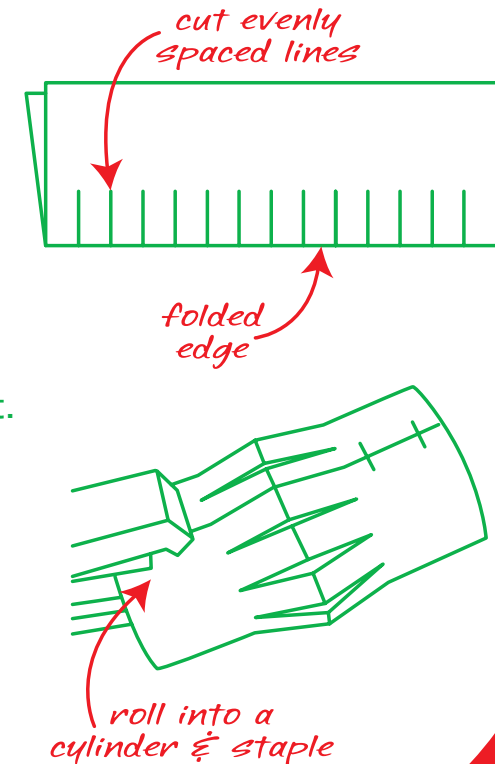

You'll need

White or coloured paper, crayons, coloured pencils, pens or paints, scissors and glitter.

Instructions

- 1 If you like, decorate the sheet using paints, crayons, coloured pencils or pens.
- 2 Cut a strip off the paper edge to be used for the lantern handle later. Fold the remaining sheet in half.
- 3 Along the **folded** edge make evenly spaced cuts about 15mm (1.5cm) apart.
- 4 Unfold the paper and decorate with glitter for a sparkly lantern.
- 5 Roll the sheet into a cylinder then staple the edges together.
- 6 Stick the handle to the inside of the cylinder.
