Welcome

to the World of Popagami®...

...and your adventure into Popagami® animals. You have chosen to make the Rhubarb the Reindeer into a very cute and unique finger puppet.

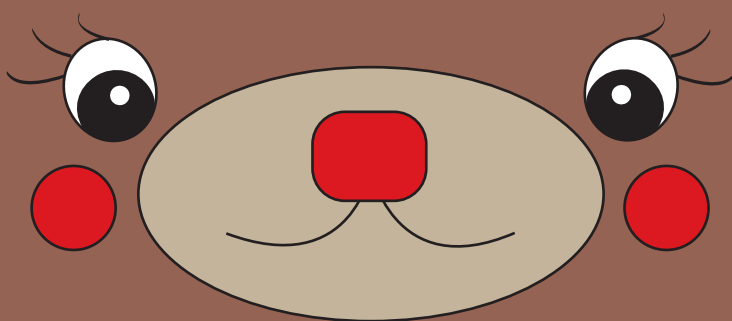

Visit our website at www.popagami.com to find out about our book titles, products, news and new releases. There are also games, activities, competitions and a photo gallery to browse.

Happy folding and be kind to all animals, including our paper ones!
