

Snowman Paper Chain

Here's a fun way to make a snowman decoration.

You will need:

Large sheet of white paper
Cotton Wool
Scissors
Glue

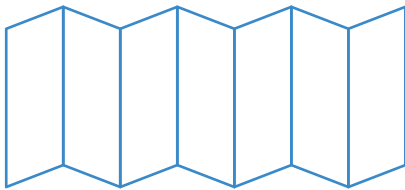

Optional items

Coloured tissue paper
Coloured pen
Glitter

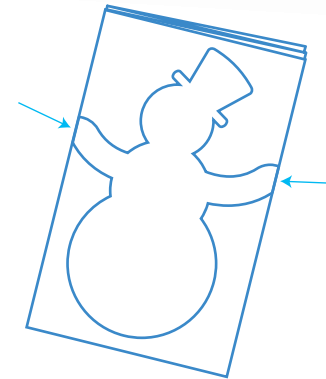

Instructions

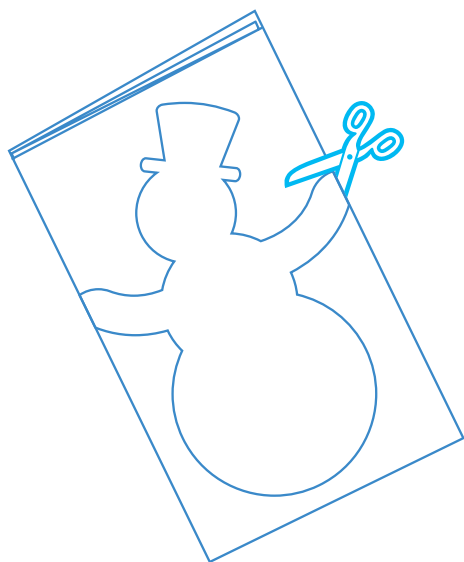

- 1 Fold the white paper into a concertina.

- 2 Draw a snowman shape on the front of the paper or use the snowman template on the third page. Make sure the hands touch the folded edges of your paper so they will link all the snowmen together when it's unfolded.

Please remember to recycle this activity

2 Cut out the snowman shape. You can then unfold the paper snowman chain.

3 Decorate the snowmen by sticking cotton wool to their body. Make scarves from coloured tissue paper. Give them orange carrot shaped noses and black dots for eyes. You could even sprinkle them with glitter to make them sparkle!

If you don't have coloured paper you can simply cut out the pictures on the last two pages, or colour in and cut out the pictures and stick them on.

Please remember to recycle this activity
