ACTIVITIES

Cooking

Reindeer Food

A calm activity for home or as an enterprise to raise money for charity.

Preparation

Construction

Serves

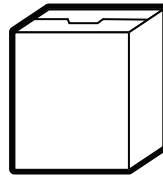

You will need:

1cup Porridge Oats

1/3 cup sugar

A bowl for mixing

Wooden spoon

PORRIDGE
OATS

SUGAR

MIXING
BOWL

WOODEN
SPOON

If you are going to sell the Reindeer Food to make money for charity this Christmas you will also need:

Decorated envelopes or small plastic freezer bags and ribbon/tags to decorate.

Tags to write down the ingredients on.

A poster to advertise the bags of Reindeer Food, and charity that the proceeds will go to.

An adult to help you think of a fundraising plan, a suitable charity and to look after the proceeds.

1. Empty all of the ingredients into a bowl and mix together with a spoon. While you are stirring make sure you make a wish!
2. Sprinkle the food outside in the garden and during the night of Christmas Eve the reindeer will see the sugar sparkling in the moonlight and fly straight to your house! The oats will give them lots of energy to fly Father Christmas all around the world!

BRIGHT IDEA : Why not try and raise money for charity this Christmas and produce lots of small packets of Reindeer Food to sell to your family, friends and neighbours – or perhaps at a school or local Christmas fair.

Please recycle this paper, and all materials, when you've finished.
