Computing

Stay Safe Online

Computing Key Stage 1

Learning aims

- using the computer safely
- knowing what children should not do
- knowing where children can go for help
- knowing what children can do to enjoy being online

Keywords

Username. Password. Personal Information. Online.
These can also be found at the end of this PDF.

Curriculum links

use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

PowerPoint presentation

The accompanying PowerPoint presentation has 6 slides:

- Slides 1 and 2 introduce the topic.
- Slides 3 and 4 explain the 'Dos' of online safety.
- Slide 5 explains the 'Don'ts', in order to stay safe online.
- Slide 6 is the closing slide.

The following page provides a poster, which you can display in the classroom.

Stay Safe Online

DO

Use a 'username' when you are online.

Keep all your personal information secret.

Personal information includes:

- Your family name
- Any telephone numbers (mobile or home landline)
- Social media profiles
- Your address
- Your town
- Your school
- Your face

Keep your password secret (only tell your parents or a trusted adult, but never over the internet).

Let an adult know when you are using the computer.

Tell an adult about anything that worries you online.

Have screen breaks and exercise in between!

Have lots of safe fun!

DON'T

Don't share your full name, especially not your family name.

Don't share your address

Don't share your town

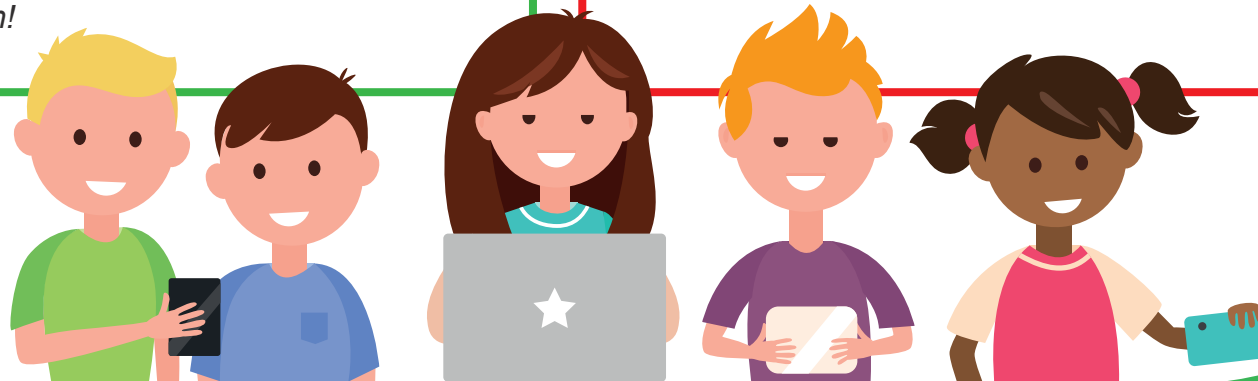

Don't share any of your telephone numbers

Don't share your school name and address

Don't share your face

Don't share your password
(except with a parent or a trusted adult)

If someone you don't know asks you for these,
do not reply and tell a trusted adult.
