

Bunny Paper Chain

Here's a fun way to make a Spring decoration

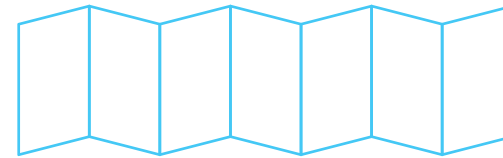

You will need

Large sheet of white paper, coloured pen or pencils, scissors, glue, coloured tissue paper and cotton wool (for decorating).

Instructions

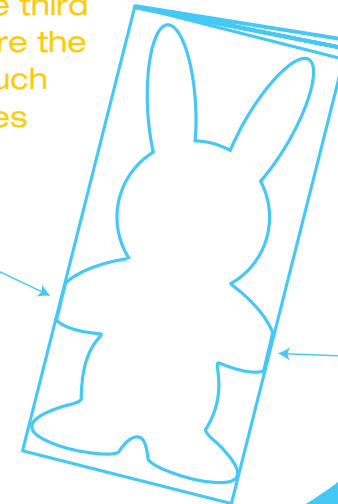

1

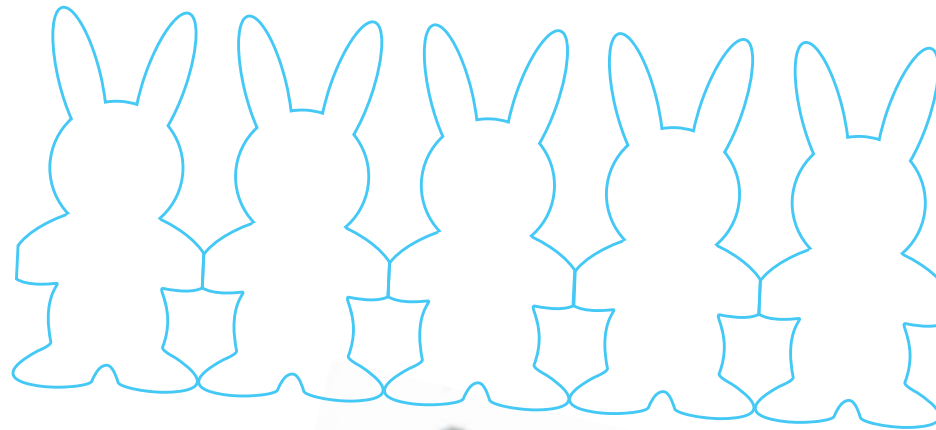

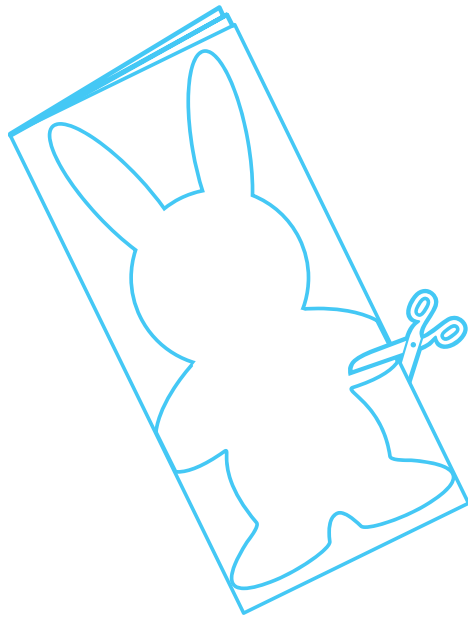

Fold the white paper into a concertina.

2

Draw a bunny shape on the front of the paper or use the bunny template on the third page. Make sure the bunny sides touch the folded edges of your paper so they will link together when it's unfolded.

Please remember to recycle this activity

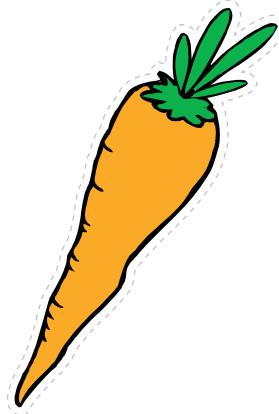

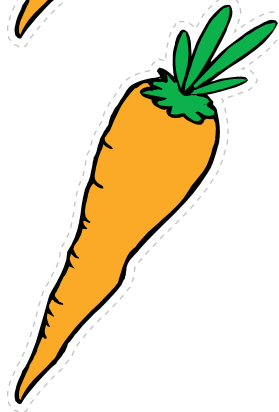

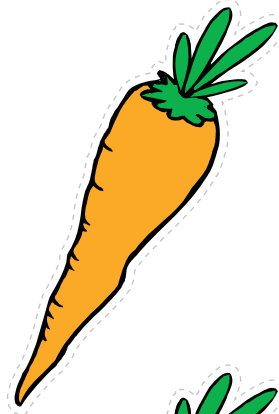

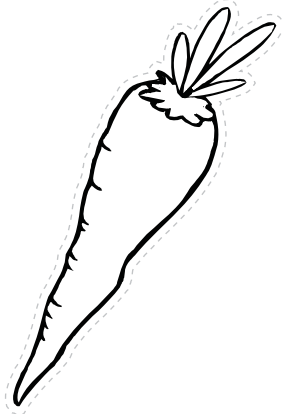

3 Cut out the bunny shape. You can then unfold the bunny paper chain.

4 Decorate the bunnies however you like! Colour them in, stick coloured paper on them. If you like you can simply cut out, or colour in and cut out the pictures on the last two pages and stick them on.

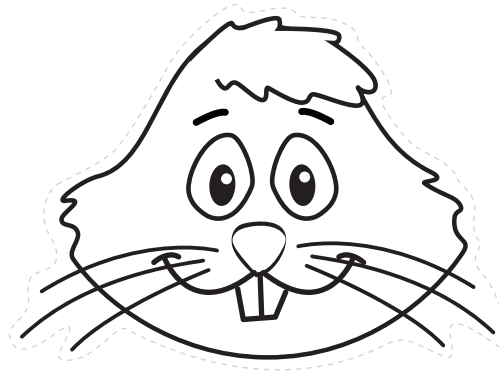

You now have a fantastic
Bunny chain decoration!
