

Easter 3D Card

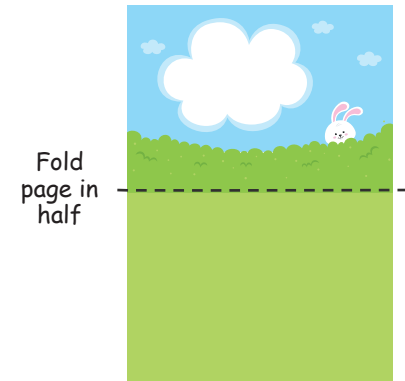

You will need:

Thin card, scissors, ruler, glue or double-sided tape.

Instructions

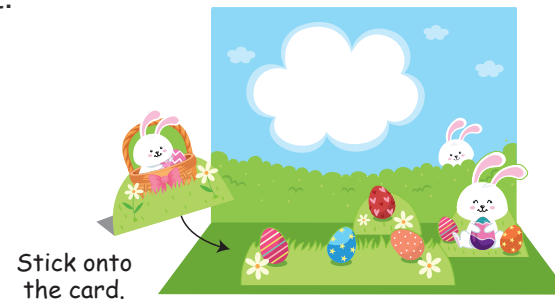

- 1 Print pages 2 and 3 onto card. Fold page 2 in half. Then cut out the pictures on page 3.
- 2 Fold along the dotted lines of the cut-outs.
- 3 Stick the cut-outs onto the card. **(Make sure they are far enough away from the card fold so you can fold it when you've finished. Try it before you stick it down).**
- 4 Write your Easter message in the cloud. Fold the images down then close the card shut.
