

Easter Basket

Have fun colouring in and making this Easter basket!

Print out onto card (or stick onto card), colour in the picture. Cut along the outside dotted lines. Fold and stick the tabs to the inside of the basket. Stick the handle to the inside on the shortest sides of the basket. Fill your basket with raffia or tissue paper. Place Easter eggs or sweets inside.

Basket handle

A black and white line drawing of a piggy bank. The piggy bank is anthropomorphic, with large, expressive eyes. One eye is closed in a wink, and a coin is balanced on its eyelid. The other eye is open and looking forward. The piggy bank has a small ear on top, a curly tail, and four legs. It is surrounded by decorative elements: three daisies and one butterfly. A dashed line forms a border around the piggy bank, with a line pointing to it from the text "Fold and glue here".

A black and white line drawing of a piggy bank with a coin slot, surrounded by dashed lines and decorative elements like flowers and a butterfly. A speech bubble at the bottom says "Fold and give here".

A black and white line drawing of a piggy bank wearing goggles. The piggy bank is positioned in the center, facing forward. It has large, round eyes and a small, curly tail. Two lines extend from the sides of the piggy bank, connecting to the corners of a dashed rectangular frame. In the top-left corner of the frame, there is a flower. In the top-right corner, there is another flower. In the bottom-left corner, there is a butterfly. In the bottom-right corner, there is another butterfly. On the left side of the dashed frame, the text "Fold and glue here" is written vertically. The entire drawing is intended to be cut out and folded into a 3D shape.
