

World's Best Dad Glasses

Here's a fun way to make glasses for the world's best dad!

You will need

Printer card, craft knife,
double-sided tape
and scissors.

Optional

Colouring in pens or pencils.

Instructions

- 1 Print the next page onto printer card (or onto paper then stick onto thin card). Then cut out along the grey lines. Alternatively print page three, cut out and colour in.
- 2 Put double-sided tape on the tabs either side of the glasses and fold them back along the dotted blue lines.
- 3 Place the glasses in front of you. Stick the left arm to the left side and the right arm to the right side. If they are too long cut a little bit off the ends until the right length.

You now have fantastic
World's Best Dad Glasses!
