

Best Dad Giant Rosette Craft!

Here's a fun way to make a giant rosette for Father's Day.

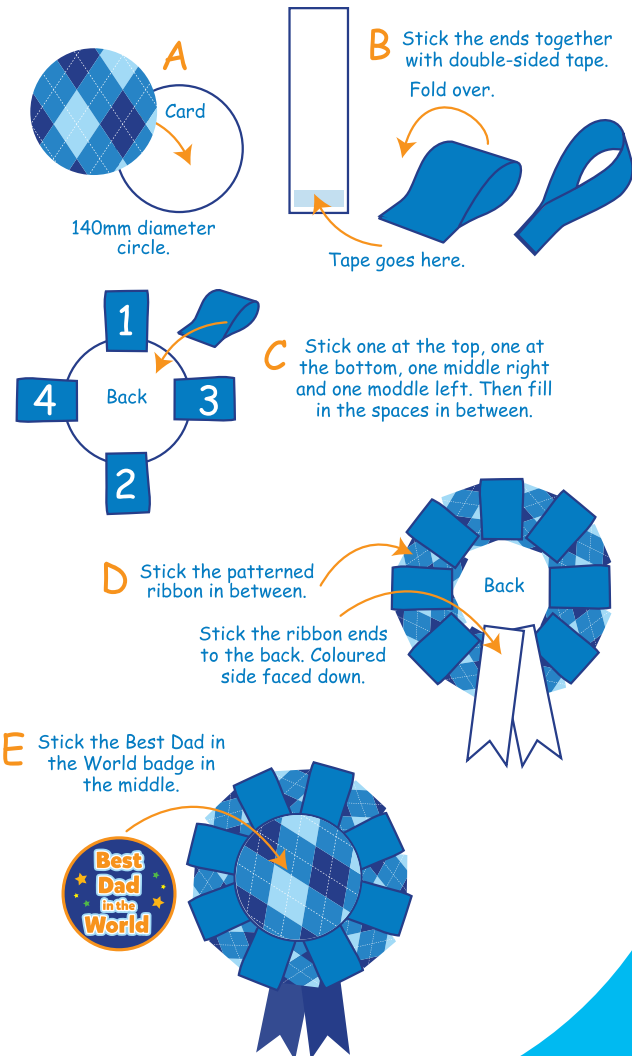

You will need:

One 23cm diameter white paper plate,
(or one sheet A4 white card),
double-sided tape, glue, scissors.
Colouring in pens or pencils.

Instructions

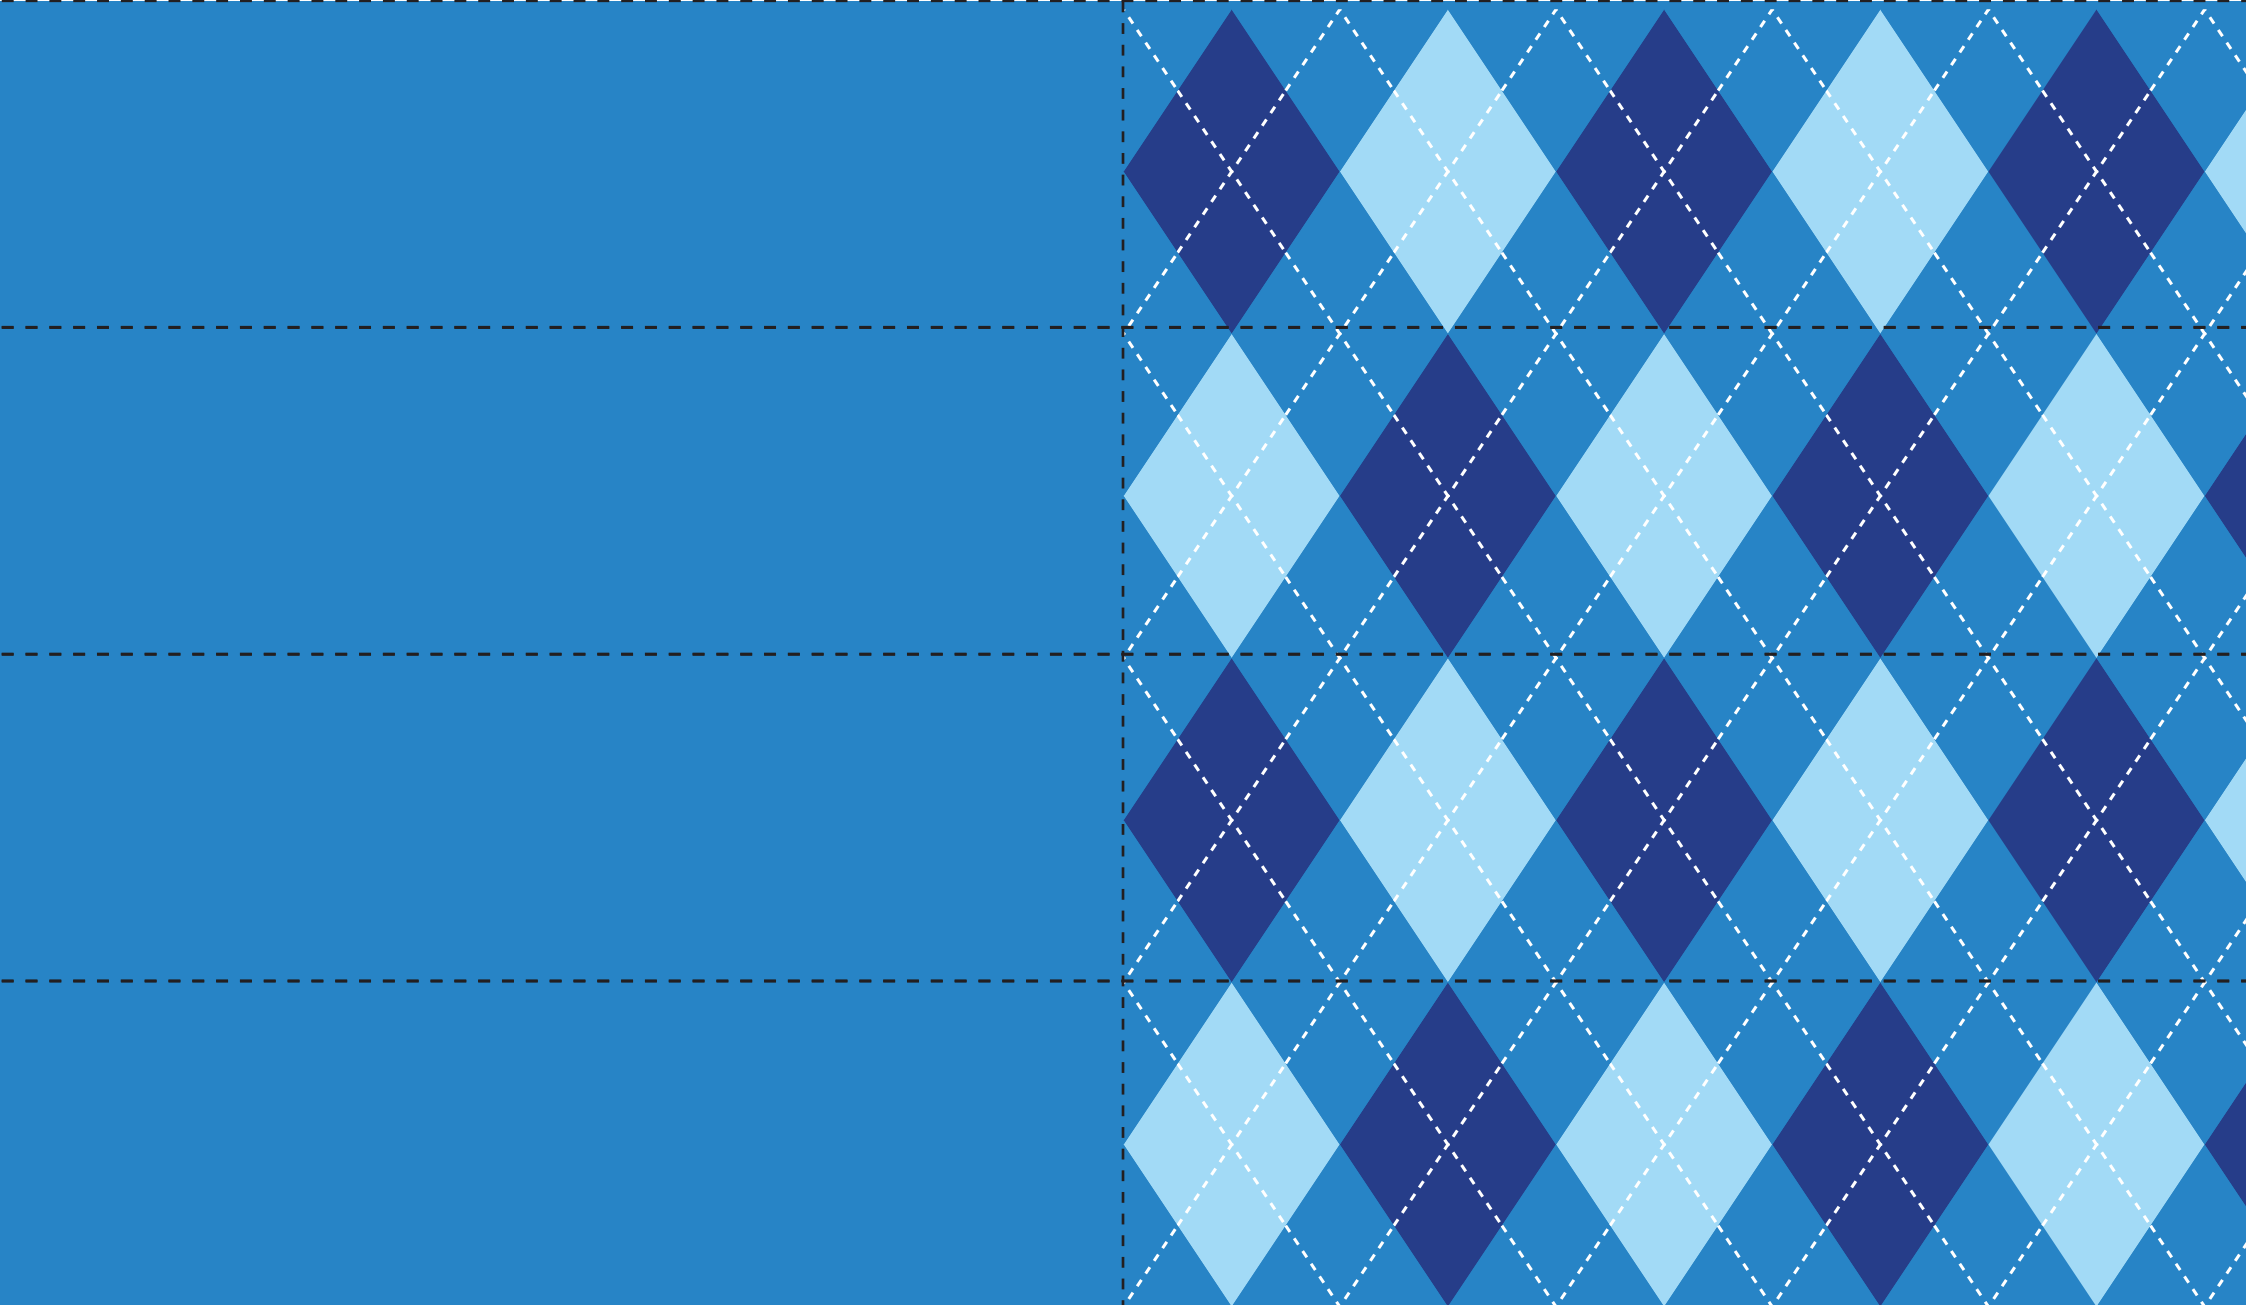

- 1 Print page 2 TWICE, then print page 3 and 4. Alternatively print pages 4, 5 and 6. Colour them in however you like.
- 2 Cut out the middle of the paper plate. (or cut a 140mm diameter circle out of thin card). Stick the patterned paper to the paper plate circle (or thin card).
- 3 Cut out the strips along the black dotted lines. Next fold them over and stick the ends together with double-sided tape.
- 4 Stick the plain blue rosette ribbons around the edge of the back of the circle. Space them out so they go all the way around as shown in figure C. Then stick the patterned ribbon strips in between them.
- 5 Stick the ribbon ends to the back. Coloured side faced down (fig D).
- 6 Turn the rosette over and stick the Best Dad in the World badge in the middle (fig E).

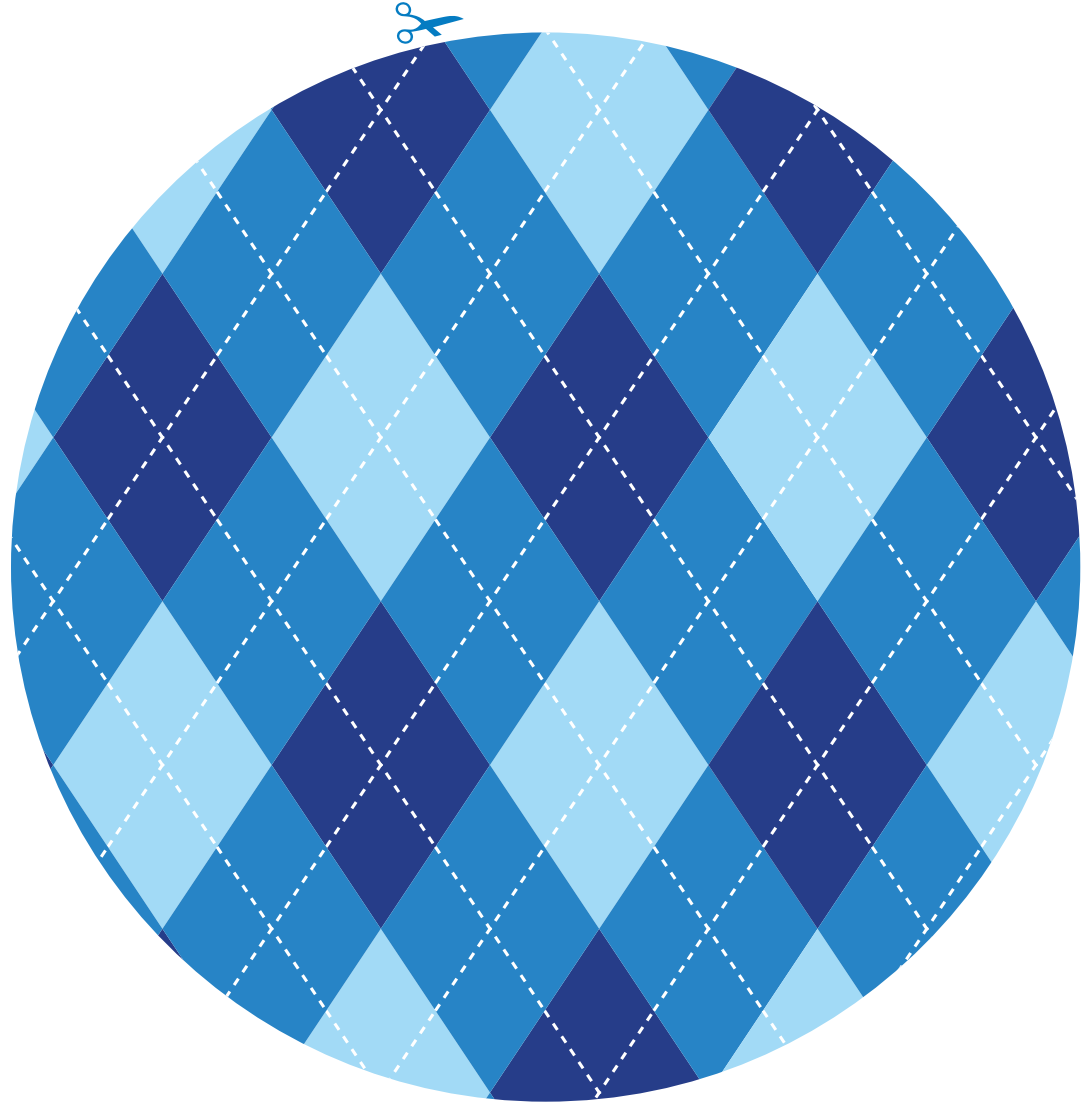

You now have a fantastic
Father's Day Rosette!
