

Make a Dad Picture Frame

Here's a fun way to make a picture frame

You will need

Printer card or paper, card, decorating items. We've used wrapping paper and stars.

Instructions

- 1 Print the template on the next page on to card. (Or stick on to card). Then cut it out.
- 2 Decorate however you like!
- 3 Tape photos of you and your dad to the back so they show through the holes in the D, A and D.

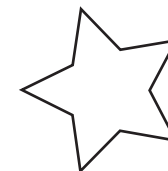

You now have a fantastic
Dad picture frame!
