

Make a trophy craft

Here's a fun way to make a trophy

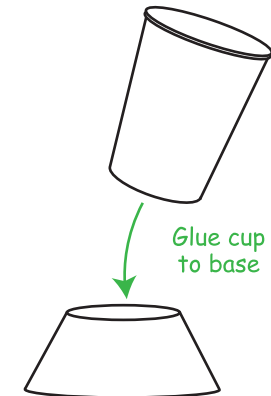

You will need

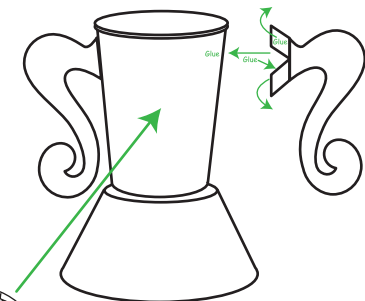

1 large paper or plastic cup,
1 small paper or plastic bowl,
aluminium foil, glue, double-sided tape,
card, scissors.

Instructions

- 1 Cover the cup and bowl with aluminium foil. Wrap the foil around the cup, then fold the foil over the brim and tuck it under the cup's base. Cut a smaller strip of foil for the bowl and do the same.
- 2 Turn the bowl upside down and glue the cup to the bowl's base.
- 3 Print the elements on the next page on to card (or print and stick on to card) then cut them out. You can also colour in the elements on the last page.
- 4 Cover the trophy handles with foil. Fold the tabs as shown and glue to the trophy sides.
- 5 Using double sided tape, stick the 'World's Best Dad' badge to the front and decorate the base with stars.

Fold tabs out in opposite directions. Glue to cup.
