

Come on Wales Flag

You will need:

Scissors, sticky tape, straw or a stick, colouring in pens or pencils.

Optional

Paints, Tissue paper!

Instructions

- 1 Print out the next page and colour in the flag template however you like. Alternatively you can use the flag already coloured in on page 3.
- 2 Cut the 4 slits marked on the left, (as shown below).
- 3 Now thread your straw (or stick, even a pencil if you like) through the slits. Starting from behind, weave your way to the top slits. To make your flag more secure, stick some tape over the straw on the back of your flag.

You now have a fantastic
'Come on Wales' Flag
