

Make a Football World Cup Badge

Here's a fun way to make a badge.

You will need:

Scissors, safety pin or double sided tape, (glue).

Instructions

- 1 Print out and stick on to card, then cut your badges out.
- 2 Get an adult to tape a safety pin to the back of your badge, or if you wanted you could use double sided sticky tape instead of a safety pin.

Alternatively you can print them on to sticky back paper and use them as stickers!

You now have a fantastic badge!
