

Paper Plate Butterfly

Here's a fun way to make a Butterfly.

Draw wing shapes on the plate then cut them out.

Stick the body to the wings.

You will need:

1 White paper plate,
scissors, glue.

Optional:

Pens, pencils, paints,
tissue paper, glitter.

Instructions

- 1 Draw the butterfly wings on the inside of the paper plate. You can use the template on page 2 by simple cutting it out and drawing around it.
- 2 Cut your wing shape out, decorate using the pictures on page 3, or create your own patterns with pens, pencils, tissue paper, even glitter. Be as creative as you like!
- 3 Cut out the butterfly's body and stick onto your decorated wings.

You now have a beautiful butterfly!
