

Physical Geography

Geography KS1

Physical Geography

Geography

Key Stage 1

Curriculum Objectives:

Pupils should develop knowledge about the world, the United Kingdom and their locality.

Human and physical geography

- use basic geographical vocabulary to refer to: key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation

Keywords

Landscape. Coast. Woodland. Forest. Hill. Mountain. Valley. Ocean. Sea. Rivers. Streams. Soil. Vegetation. Meadow. Marsh. Moor

These can also be found at the end of this PDF.

PowerPoint presentation

The accompanying PowerPoint presentation has 18 slides looking at the following physical features:

- The coast
- Woodland and forest
- Hills
- Mountains
- Valleys
- Oceans and seas
- Rivers and streams
- Soil and vegetation
- Meadows, marshland and moors

Activity

- The last slide asks the children to describe the places they have learnt about.

Activity Worksheets (see pages 2 - 3)

Physical Geography

The Beach

Do you love going to the beach? Write down a few things that you like best about going to the beach?

Cliffs

Cliffs are beautiful! But we should never play near the edge. Write down a few reasons about why your friends should not play close to the edge of a cliff.

Woodlands and Forests

Imagine you are in a place where there are trees everywhere you turn. You are in a wood or a forest! Can you describe:

What can you **see**?

What can you **hear**?

What can you **smell**?

How do you **feel**?

Why do we say 'bluebell wood', not 'bluebell forest'? (There's no right answer, we'd just love to know what you think!)

What is the **highest** mountain in the world?

In which mountain range will you find it?

Valleys

Why do you think rivers run along the bottom of valleys?

Oceans and Seas

Which is bigger, an ocean or a sea?

Can you name the **five** oceans?
