

Count Dracula!

With an attachable cape, these Dracula figures would look great sat on a window ledge, hung from the window or simply make them to dress your dining table!

1. Cut along the solid lines.
2. Fold along the dotted lines, and with glue or double-sided tape, stick the tabs down.
3. Mount the cape with the red side facing in, and stick the feet to the bottom of the figure.

With Kodak low cost high quality ink you can afford to print whatever you like!
