

Lollipop Ghost

Here's a fun way to make a lollipop ghost.

You will need:

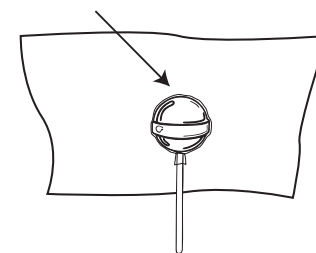

Lollipops, white tissues, thin ribbon, scissors and double-sided tape.

Instructions

- 1 Print the faces on the next page.
- 2 Place a tissue over the top of the lollipop. Bunch together under the sweet to make the head.
- 3 Tie a thin ribbon into a bow around the neck. We've used black with white dots but you can use orange, black, or even string or wool if you like!
- 4 Cut out one of the faces on page 2. Using double-sided tape stick the face onto your ghost.
- 5 Repeat this process to make more lollipop ghosts with all the different faces.

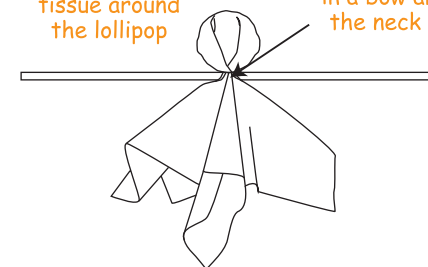

You now have a fantastic
