

Halloween Snap Cards

Print these sheets twice, so that you have two sets of cards. Colour them in, then cut along the dotted lines. You're now ready to play snap with your friends!

How to play

Shuffle the cards together and divide equally between the two players. Place the cards image side down, then take it in turns to turn over a card and place it in a pile in the middle. If two card images next to each other match, the player who shouts '**Snap**' first wins all the cards in the middle. Continue the game until one person runs out of cards. Then have another go!
