

# Make a Bat Craft

Here's a fun way to make a bat.

## You will need:

Black paint, scissors, glue,  
kitchen roll cut to 100mm tall.

## Instructions

- 1 Paint the tube black and leave to dry.
- 2 Fold over the top of the tube to make the ears.
- 3 Print and cut out the wings and face on the next page.
- 4 Stick the 2 halves of the wings together so the black sides are facing out.
- 5 Stick to the back of the tube. Then stick the face on the front.

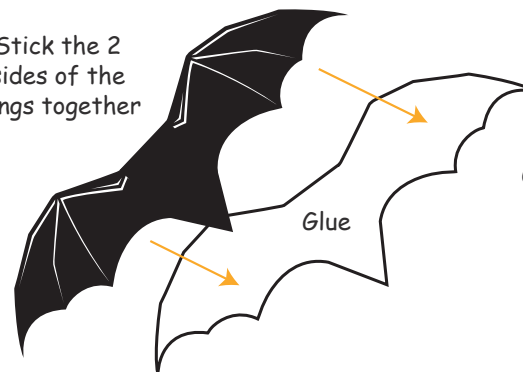

Paint the tube black

Fold over one side then the other side.

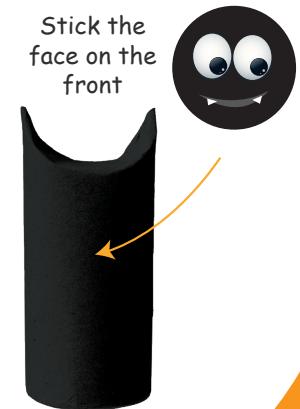

Stick the 2 sides of the wings together

Glue to the back of the body

Stick the face on the front

You now have a fantastic Bat!

Please remember to recycle this activity

Choose a face to cut out, or make more than one bat.
