

# Pipe Cleaner Skeleton

Here's a fun way to make a Halloween skeleton.

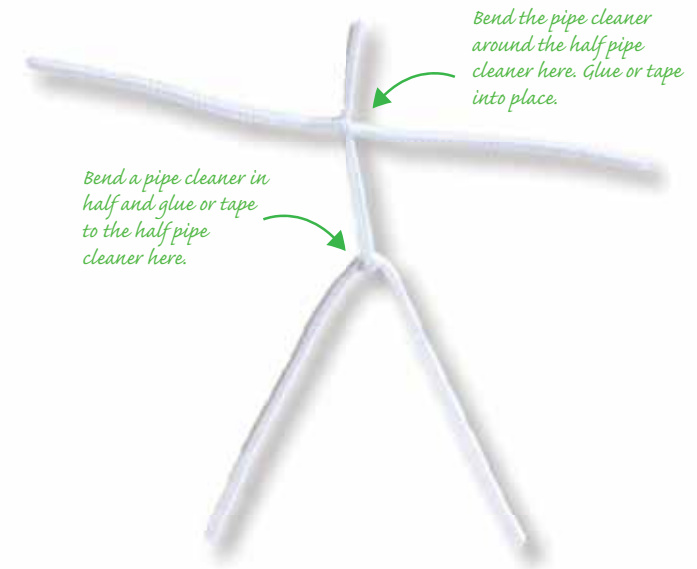

## You will need:

*Pipe cleaners,  
glue or tape,  
and scissors.*

## Instructions

- 1** You will need 3 pipe cleaners. Cut one of them in half. Place and glue, or tape them in the positions shown.
- 2** Print and cut out the skeleton parts on the next page.
- 3** Glue or tape the skeleton parts on to your pipe cleaner. Bend the legs and arms however you like!

You now have a fantastic  
**Pipe Cleaner Skeleton!**
