

The Story of Jonah

Jonah tried to escape from God who had asked him to do a special job. Jonah thought he could escape from God but he learnt that god is everywhere.

When God calls, you answer him or face the consequences.

Jonah tried to escape at Sea, but God sent a sea creature to swallow Jonah, for three days and nights until he was sorry.

**Jonah started to spread
God's message of being
good instead of bad,
and people listened.**
