

Counting on and back

The twins are playing a game on the grid below.

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20
21	22	23	24	25

Answer the questions
on the next page.

Please remember to recycle this activity

Using the grid answer these questions.

If their counter is on number **5** and they **count on 5** where will they be?

If the counter is on **25** and they **count back 5** where will they be?

If they are on **10** and **count back 5** where will they be?

If they land on **20** and **count on 5** where will they be.

Look at this number line

20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36 37 38 39 40

24 count on **4** = **34** count back **4** =

30 count back **6** = **37** count on **2** =

28 count on **2** =
