

Learning about money

Activity 1b

Sometimes you need to save up for something. It could be a new toy, clothes or a birthday present for someone special. Here are some of the coins that you might put into your money box.

- 1 How much do **all** the coins pictured add up to?

- 2 Use **two** of these coins to make...

7p _____

12p _____

- 3 Use **three** of these coins to make...

13p _____

8p _____

- 4 Use **four** of these coins to make...

28p _____

£1.71 _____

- 5 Use any number of each coin of your choice, to make...

£1.50 _____

£2.00 _____

- 6 Using coins of 20p or a lower value, what is the **fewest** number of coins you could use to make 50p?

- 7 How many **20ps** make **£1.00**?

- 8 If you are going to save up for a toy costing **£2.00** how many **20p** coins would you need to put in your money box?

- 9 If you want to save up for a pair of sunglasses for your holiday costing **£5.00** how many **50ps** would you need to put into your money box?
