

Going shopping

Beth and Ben visit their local supermarket.
Work out how much the things will cost them?

£1.10

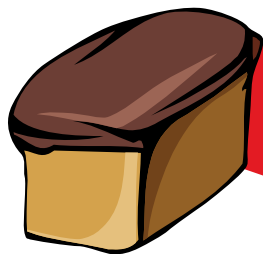

90p

85p

How much would a **packet of cornflakes**
and a **packet of sugar** cost?

How much for **two bottles of lemonade**?

What would a **loaf of bread** and a **fish** be?

How much for a **pack of yoghurts** and
a **packet of Jelly Beans**?

How much for **two tubs of margarine**
and a **packet of sugar**?

What would **two packets of Jelly Beans**
and a **loaf of bread** cost?
