

Polygon Shapes

You will need:

Card, scissors, glue stick and colouring in pens or pencils.

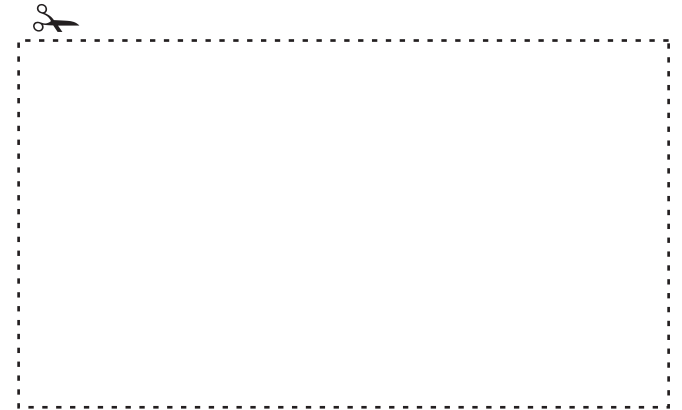

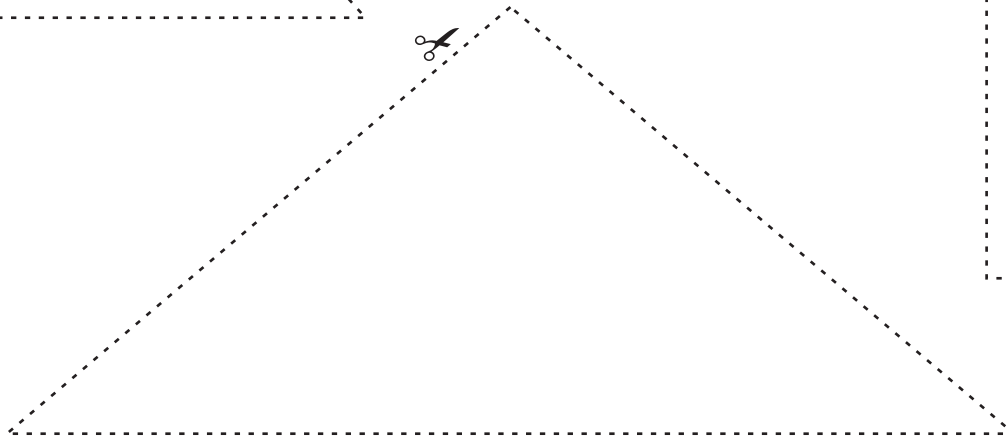

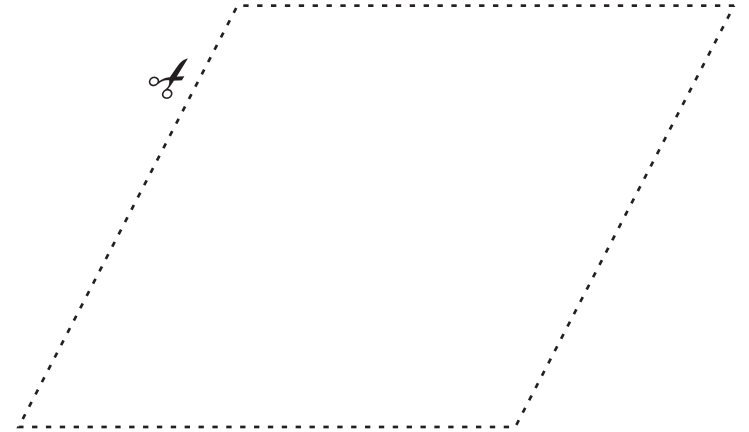

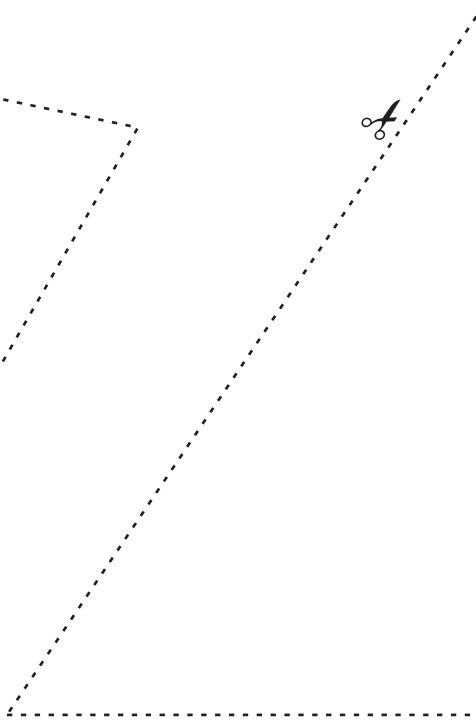

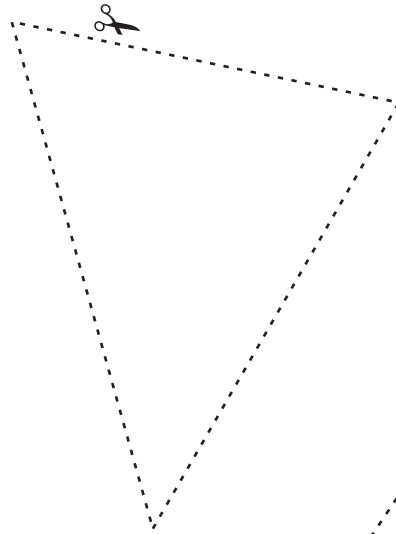

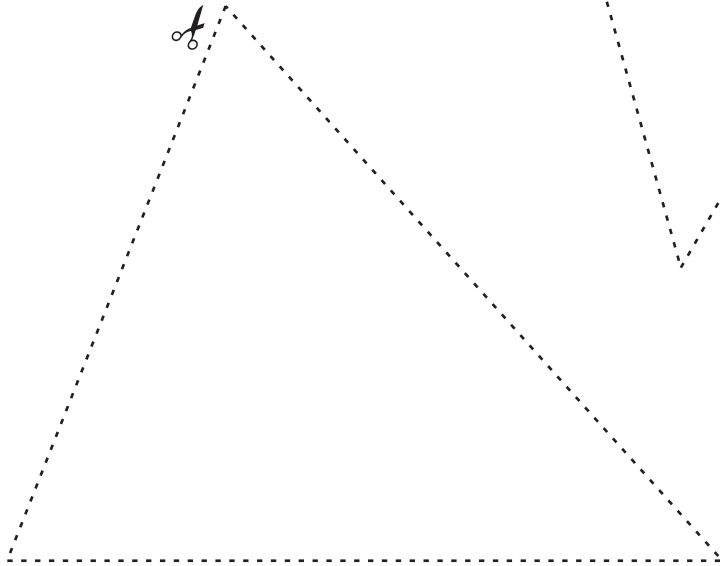

Instructions

- 1 Print all the pages on to card.
- 2 Colour in the shapes on pages 2, 3, and 4, then cut them out.
- 3 Match and stick the cut out shapes to the correct shadow shapes on pages 5, 6, 7, 8 and 9.
- 4 Answer the questions by counting the sides of the shapes.

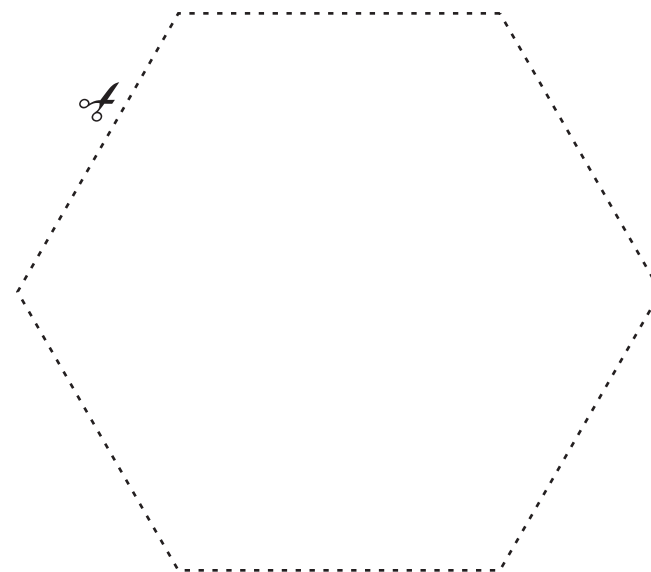

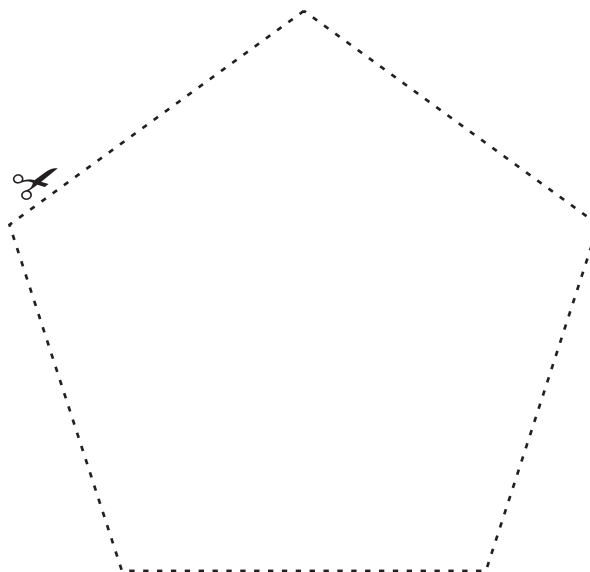

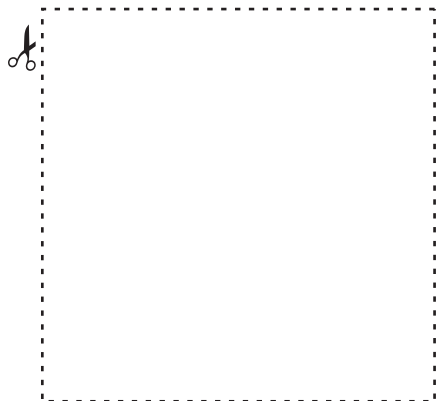

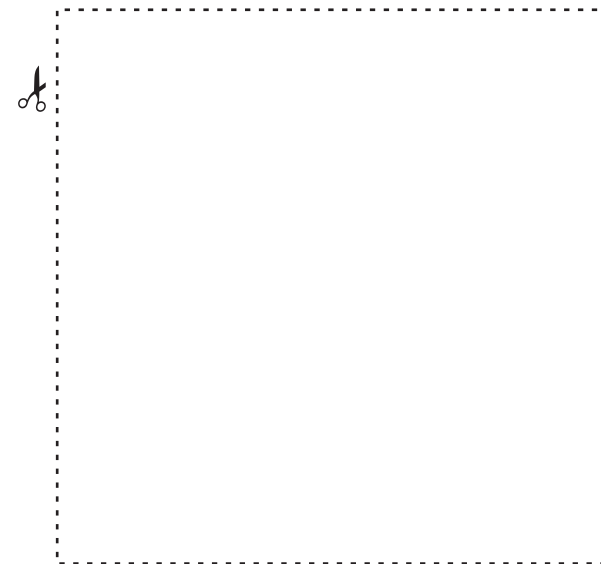

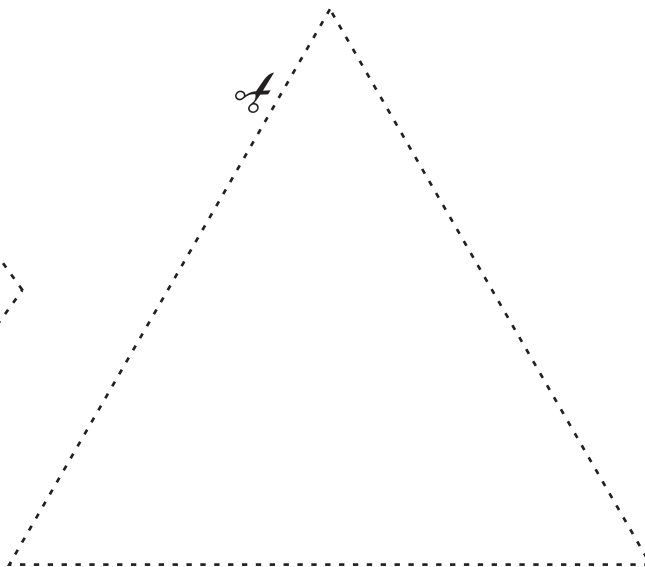

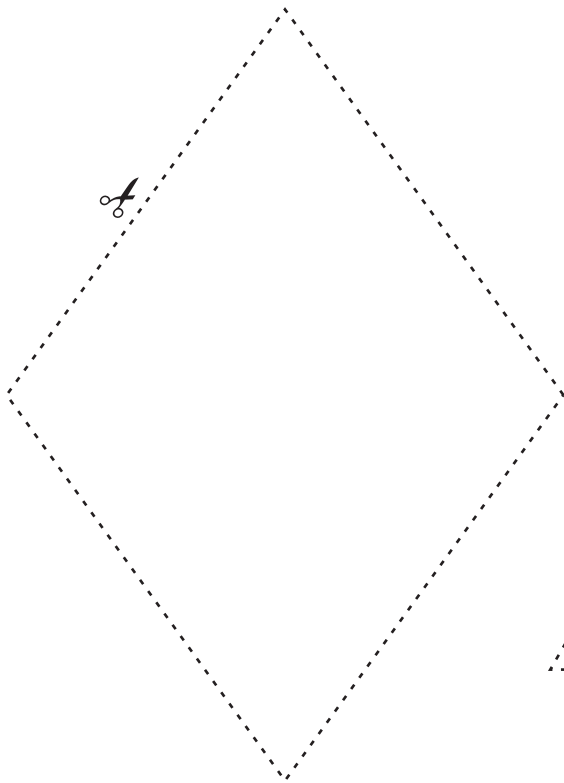

Please remember to recycle this activity

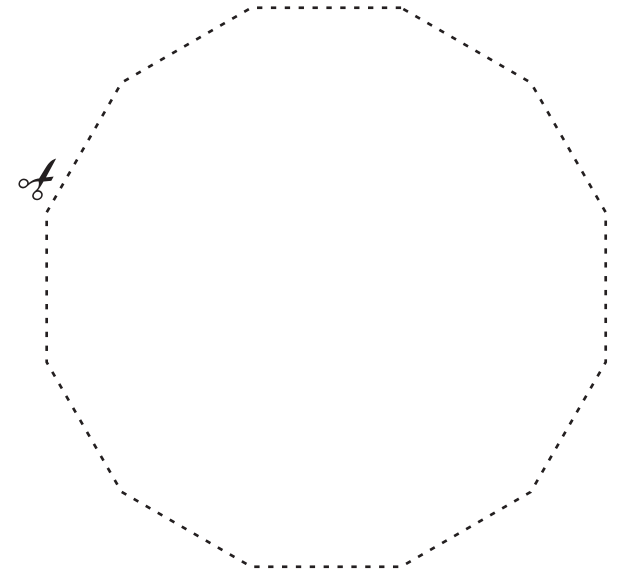

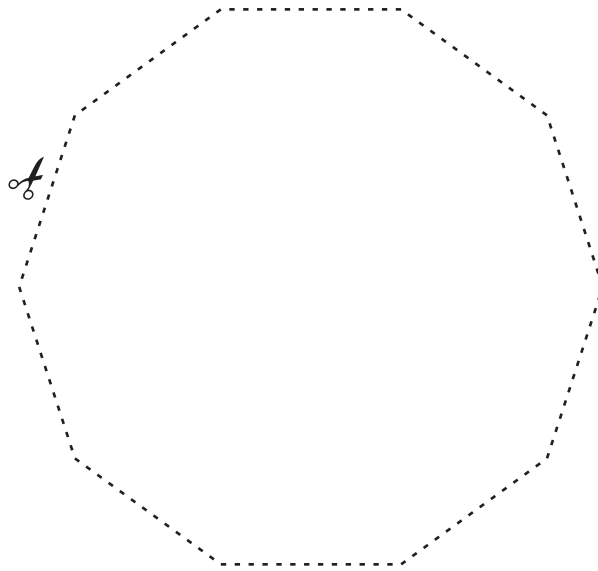

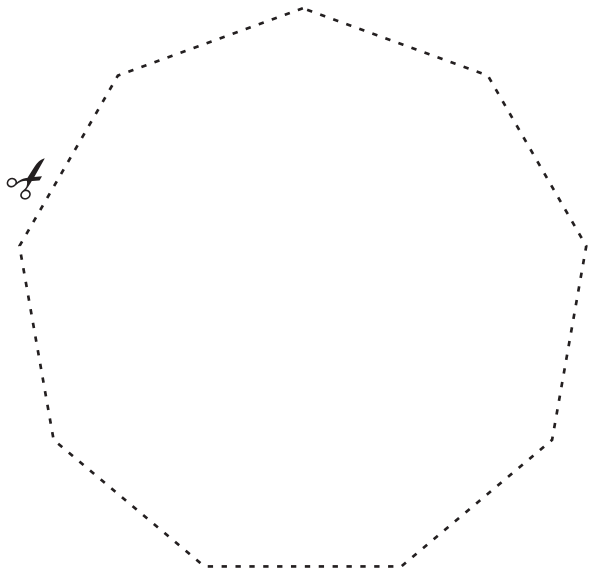

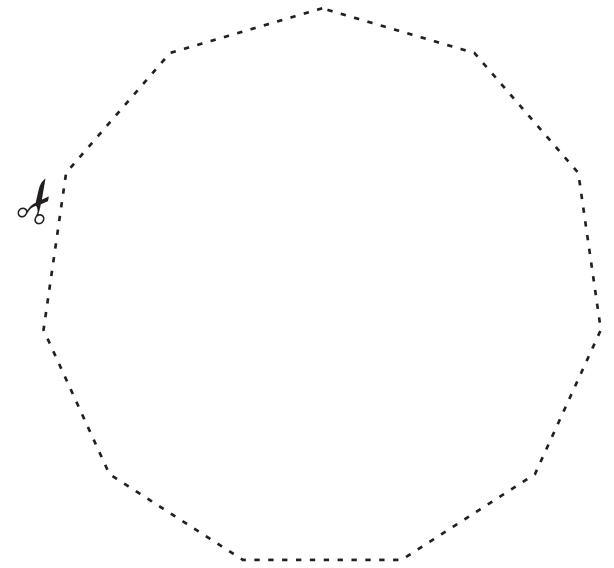

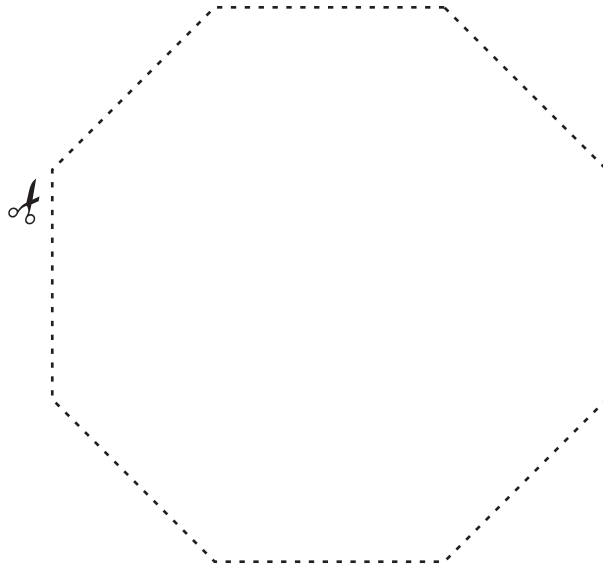

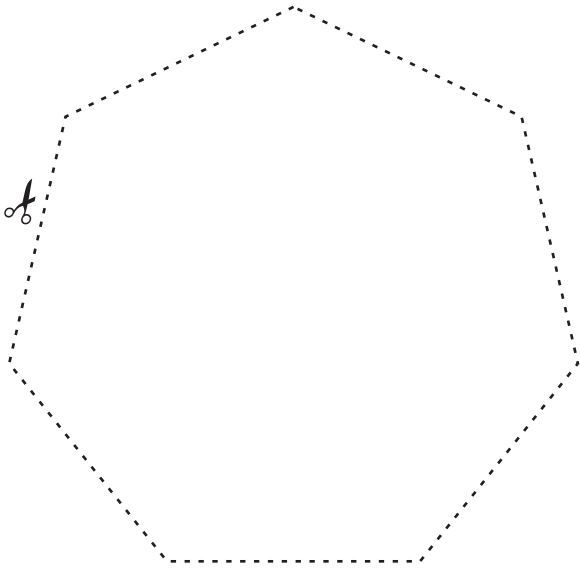

**Print on to card and colour
the shapes in, then cut
them out.**

Print on to card and colour the shapes in, then cut them out.

Print on to card and colour the
shapes in, then cut them out.
