

On holiday

The twins are on holiday in Spain. They go into a shop and notice that the prices are in **euros**. If there are 1.40 euros (1 **euro** = 70p) (100 cents = 1 **euro**) to the pound how much will things cost in pounds and pence?

CD: 14 euros

Postcard: 50 cents

T Shirt: 7 euros.

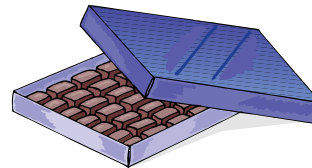

Trainers: 30 euros.

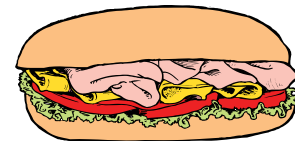

Bottle of fizzy
drink: 2 euros

Spanish doll: 7.50 euros

Box of chocolates:
1.50 euros

Filled roll: 2.80 euros

I go into a money exchange. How many euros will I get for...

1. £10 _____ 2. £50 _____ 3. £100 _____ 4. £75 _____ 5. £500 _____
