

Bouquet of Flowers

Here's a fun way to make a bouquet of flowers

You will need

*Pipe cleaners
(green or white),
scissors, glue,
double sided tape,
and ribbon.*

Instructions

- 1 Cut out the flower shapes on page 2, 3 and 4, keeping the backs and fronts of each flower together.
- 2 Tape a pipe cleaner to the front of the flower. Now glue the back of the flower to the front. Do this for as many flowers as you like!
- 3 Tie them together with a ribbon . Now you have a beautiful bouquet of flowers!
