

Ten Green Bottles

Ten green bottles standing on the wall
Ten green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be nine green bottles standing on the wall

Nine green bottles standing on the wall
Nine green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be eight green bottles standing on the wall

Eight green bottles standing on the wall
Eight green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be seven green bottles standing on the wall

Seven green bottles standing on the wall
Seven green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be six green bottles standing on the wall

Six green bottles standing on the wall
Six green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be five green bottles standing on the wall

Five green bottles standing on the wall
Five green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be four green bottles standing on the wall

Four green bottles standing on the wall
Four green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be three green bottles standing on the wall

Three green bottles standing on the wall
Three green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be two green bottles standing on the wall

Two green bottles standing on the wall
Two green bottles standing on the wall
And if one green bottle should accidentally fall
There'd be one green bottle standing on the wall

One green bottle standing on the wall
One green bottle standing on the wall
And if one green bottle should accidentally fall
There'd be no green bottles standing on the wall
