

Teddy Cat

*I've got a cat call Ted
He sleeps on the end of my bed
He's always waiting to be fed
Oh how he loves being fed*

*Teddy Cat, Teddy Cat
He's a very very lazy cat
He hardly moves from where he's sat
Oh how we all love Teddy Cat*

*He sometimes goes for a stroll outside
Only if the weather's nice
He likes to play with all the mice
Oh how he loves those mice*

*Teddy Cat, Teddy Cat
He's a very very lazy cat
He hardly moves from where he's sat
Oh how we all love Teddy Cat*
