

Make a Laurel Wreath

Here's a fun way to make a laural wreath.

Instructions

- 1 Cut a strip of green card to approx. 30mm high, and make sure it can fit around your child's head.
- 2 Print the template on the next page onto thin green card then cut out the leaves. (Alternatively, draw around one of the leaves to create a leaf template).
- 3 Glue the leaves on to the head band by overlapping them as shown.

You will need:

Thin green card, scissors,
tape and glue.

**You now have a fantastic
Laurel Wreath!**

Please remember to recycle this activity

Print the template onto green thin card, then cut out the leaves.
