

Bronze Medal

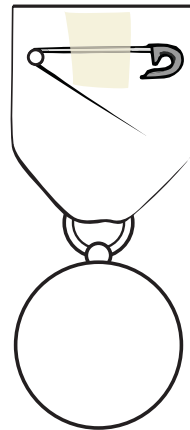

Here's a fun way to make a medal.

You will need:

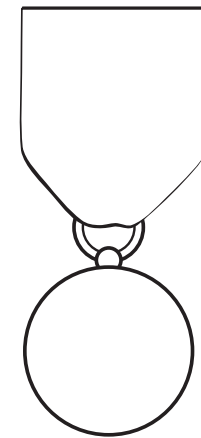

*Scissors, safety pin, tape,
colouring in pens (optional),
wide ribbon (optional).*

Instructions

- 1 Cut out or colour in and cut out the medals on the last page.

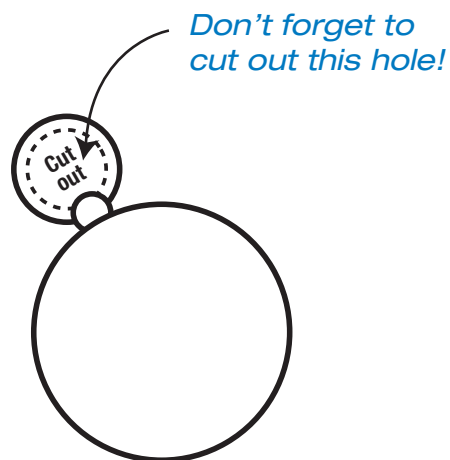

- 2 Get an adult to tape a safety pin to the back of the medal. Or if you wanted, you could use double sided sticky tape instead of a safety pin.

Please remember to recycle this activity

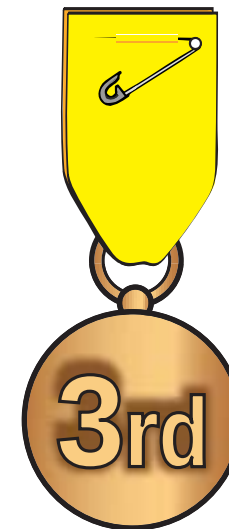

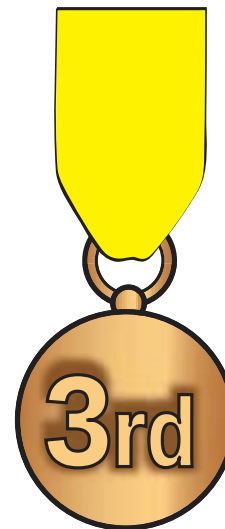

- 3 Alternatively, colour in and cut out the last medal on the next page.

- 4 Cut some wide ribbon, about 16cm long. Thread the ribbon half way through the hole.

Level the two cut ends together.

Get an adult to safety pin the ends together and to pin your bronze medal to your chest.

*You now have
a fantastic bronze medal!*
